

## APPENDIX 8

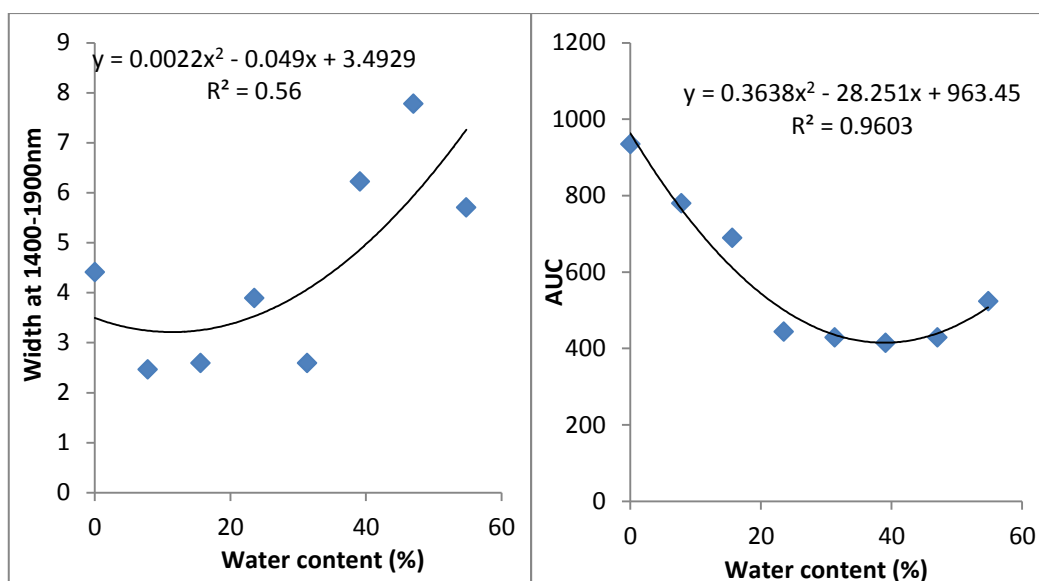

Spectral curve of red soil (N 9 b) with water content variation

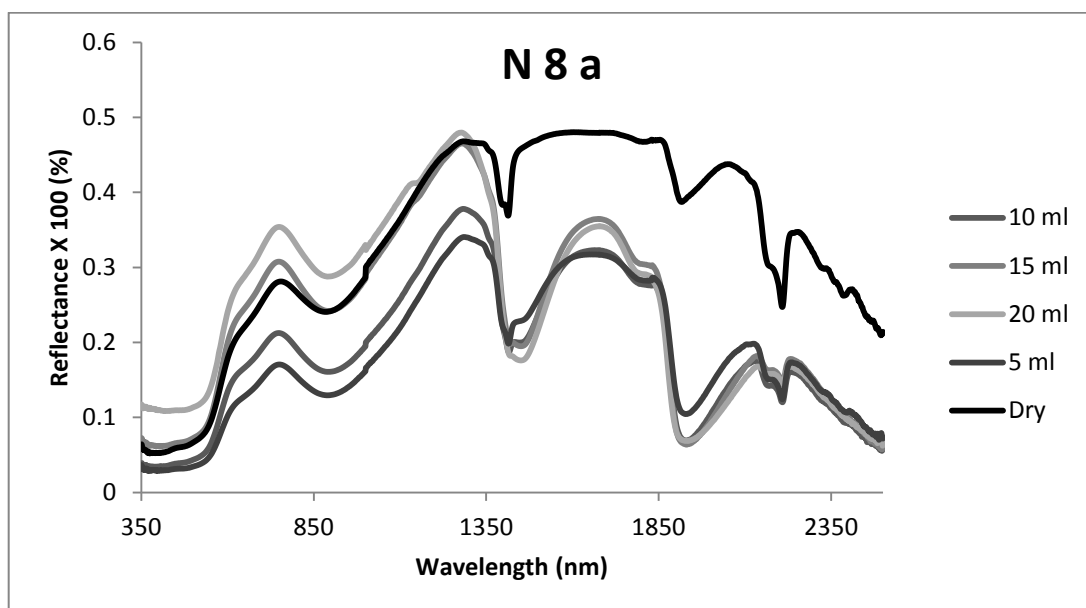

Spectral curve of red soil (N 6 b) with water content variation

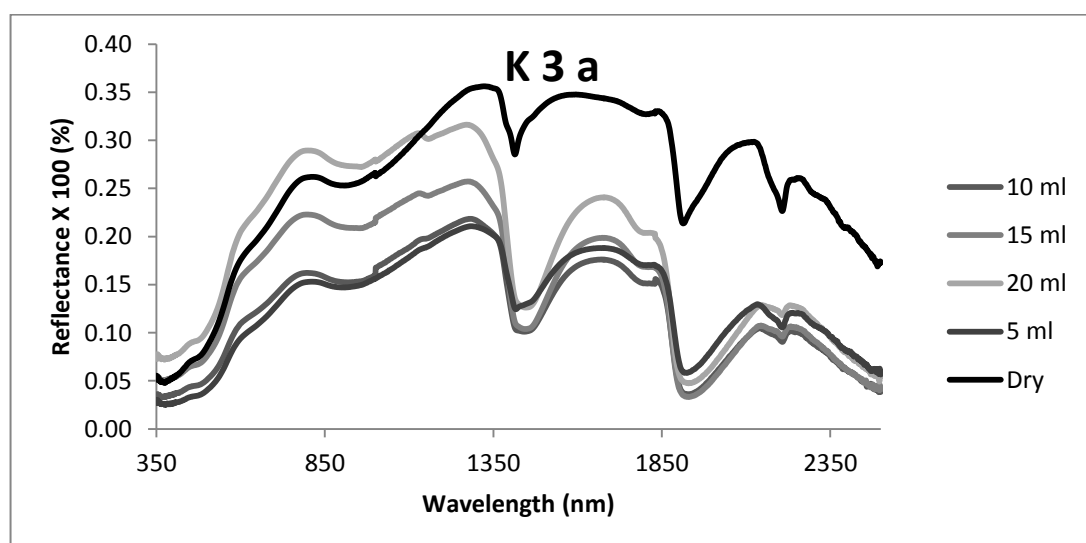

**Relationship between Water content and Spectral parameters of sample N 9 b**

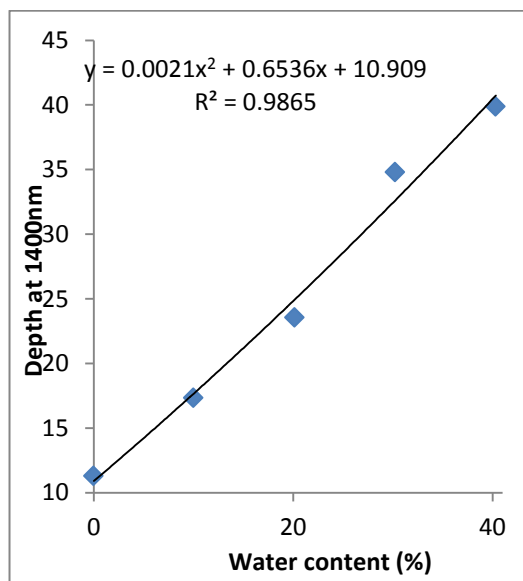

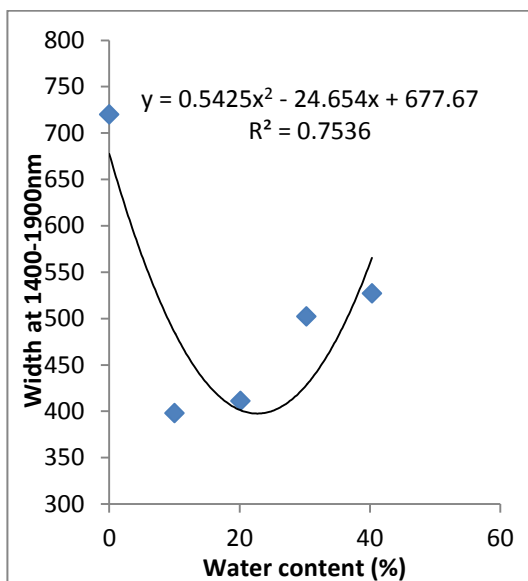

**Relationship between Water content and Spectral parameters of sample N 6 b**

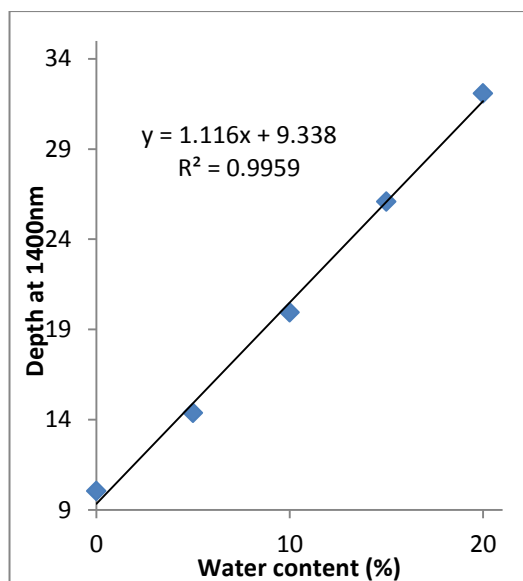

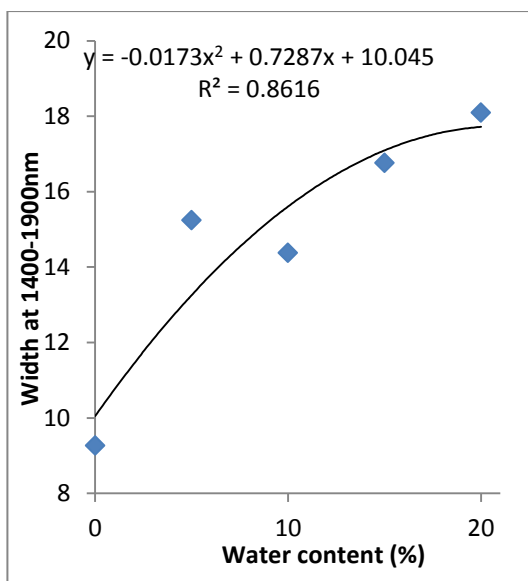

**Spectral curve of red soil (N 8 a) with water content variation**

**Spectral curve of red soil (K 3 a) with water content variation**

**Relationship between Water content and Spectral parameters of sample N 8 a**

**Relationship between Water content and Spectral parameters of sample K 3 a**
