

LIST OF TABLES

Table No		Page No
1.1	Distribution of Sub Cities in the Study Area According to Density of population	9
2.1	Distribution and Growth Rates of Rural and Urban Population (in 000s) of Ethiopia	27
2.2	Temporal Variations in the Population Size of the Study Area	29
2.3	Distribution of Population, and Area of Sub Cities of the Study Area	30
2.4	Addis Ababa's Share of Total Urban Population of Ethiopia	33
2.5	Distribution and Growth Rate of Urban Population According to the Size of Major Towns of Ethiopia	33
2.6	Population Size and Average Annual Population Growth Rate	36
2.7	Distribution of Population Size According to Sub Cities	37
2.8	Distribution of Migrant Population According to Sub Cities	39
2.9	Temporal Variations in the Migration Status of the Study Area	40
2.10	Age Selectivity of Migration Status of the Study Area	42
3.1	Distribution and Concentration of Micro and Small Scale Industries According to Sub Cities (2002-2010)	49
3.2	Distribution of Workers during the Year 2005-2009	52
3.3	Labor Force Participation, Employment to Population Ratio and Unemployment Rate	52
3.4	Distribution of Workforce According to Sub Cities of the Study Area	55
3.5	Distribution of Employees According to Type of Employment	56
3.6	Dependency Burden	57
3.7	Population Involved in Informal Sector in the Study Area	58
4.1	Temporal Variation in the Land Use Type	66
4.2	Present Day Concentration of Land Uses in the Study Area	67
4.3	Physical Expansion of the Study Area (1886-2010)	73
5.1	Threshold Value of Physiologically Equivalent Temperature (PET)	75
5.2	Average Decadal Temperature Variation	77
5.3	Maximum Decadal Temperature Variation	77

5.4	Average Mean Decadal Temperature and Variation	78
5.5	Average Maximum Decadal Temperature and Variation	79
5.6	Temporal Variation in the Rainfall Distribution	80
5.7	Human Comfort condition in the Study Area	82
5.8	Temperature and Humidity Variation between Urban and Rural Environments (May, 2011)	84
5.9	Volume of Wastewater Discharge from Different Industries in the Study Area	85
5.10	Temporal Variations in Liquid Waste Characteristics	86
5.11	Volume and Composition of Solid Wastes in the Study Area	88
5.12	Variations between Formally and illegally Dumped Solid Wastes	89
5.13	Percentage Distribution of Waste Disposal Systems by Housing Units and Sub Cities	91
5.14	Point Source Water Pollution for All Categories of Industries	95
5.15	Non Point Source Water Pollution	95
5.16	Water pollution in the study area	96
5.17	Mean Concentrations of Heavy Metals and Nitrogen in the Catchments	97
5.18	Sound Pollution Complaints to Kebele Law Enforcement Offices	101
6.1	Distribution of the Density Status of the Housing Units	105
6.2	Percent Distribution of Households per Housing Units (Density)	106
6.3	Tenure Status of the Housing Units	107
6.4	Distributions of the Housing Units and number of Rooms as per Sub Cities	108
6.5	Distribution of Sanitary Facilities as per Sub Cities	110
6.6	Temporal Variations in the Health Problem (Cases) and Deaths	110
6.7	Number of Street Children in Addis Ababa	111
6.8	Distribution of Police Stations According to Sub Cities in the Study Area	113
7.1	Temporal Variations in the Road Characteristics	115
7.2	Temporal Variations and Growth rates of Registered Vehicles	119
7.3	Basic Water Supply Characteristics of the Study Area	120
7.4	Water Production, Distribution and Consumption	122
7.5	Standard Daily Water Demand in the Study Area	122
