

ACKNOWLEDGEMENT

The completion of this thesis would be impossible without generous help and tremendous support from many people, and to whom I would like to express my deep gratitude.

First, and foremost, I would like to express my sincere and whole hearted gratitude to my research supervisor, **Dr. R.M.S.Parvathi, Professor**, Department of Electronics and Communication Engineering, Sri Ramakrishna Institute of Technology, Coimbatore for her time, patience, and advices throughout this entire process. I would never be able to come this far without her support and care. I am very grateful for her guidance.

It is my great pleasure to acknowledge my Doctoral Committee members, **Dr.T.Purusothaman**, Associate Professor, Department of Computer Science and Engineering, Government College of Technology, Coimbatore and **Dr.M.Madheswaran**, Principal, Mahendra College of Engineering, Mallasamuthiram, Namakkal for their valuable advice, insight, comments and support.

I would like to thank **Dr.PSK.R.Periaswamy, Chairman**, Dr.R.Asokan, **Principal**, Kongunadu College of Engineering and Technology, for providing me permission and support to complete my research work.

I would like to express my sincere thanks to **Dr.K.Chandrasekar**, Professor, VIT University & my friend **Mr.T.Rajamanikandan** for their continuous advice, support and help. I wish to express my greatest thanks to my family members for their continuous support.

SIVAKUMAR M
