ACKNOWLEDGMENTS

I am deeply indebted to Dr. P.S.G. Kumar, University Librarian, Nagpur University Nagpur who guided me enthusiastically and poured his heart out in assisting me in the present work. Words are inadequate to express the sum total of the investigators gratitude’s for his most able guidance, keen interest, valuable suggestions and constant encouragement to accomplish the ambition. Without his proper guidance this thesis would not have reached the present state. This thesis is the product of his expert supervision, perseverance, patience, right from the every conception, down to its completion. Dr. Kumar’s zeal for research and understanding attitude provided the right kind of support needed for any research work. I express my hear-felt thanks to him and also my regards and gratitude to him.

I express my special thanks to Prof. S.P. Potdar, University Librarian, Amravati University Amravati. His competent capacity to design the thesis and his tireless efforts to observe the data during day & night without any time barrier, were highly stimulative. His nobility, demureness & brotherly affection always encouraged me, when the talk seemed impossible.

My respect are due to Prof. B.K. Bhosale, Ex-University Librarian Amravati University, Dr. D. Rajyalakxmi, HOD, LIS Dept., Nagpur University Nagpur ,Prof. R.B. Jatkar and Dr. M.R. Kherde who provide me golden opporunity and encouragement.
