

ACKNOWLEDGEMENT

It is with great pleasure I record my deep sense of gratitude to Prof.Dr.K.B. Deshpande, Senior Professor and Head, Department of Botany, Marathwada University, Aurangabad, for his comments, criticisms, guidance and encouragement throughout this study.

I am happy to acknowledge the benefit of discussions and advice I had with Prof.T.S. Sadasivan, Consultant, Council of Scientific and Industrial Research, New Delhi, during the course of this work.

I recall with gratitude Dr. V. Agnihothrudu, Technical Manager, Research & Development, Rallis India Limited, Bangalore, for his help, advise and criticisms.

I am thankful to Dr. Johnston, Dr.M.B. Ellis, Dr. B.C. Sutton, and Dr. Punithalingam, Commonwealth Mycological Institute, Kew, for confirming some of the identifications.

I am thankful to Prof. Jacques Miede, Director, Department De Biologie Vegetale, Universite De Geneve, Geneva for kindly sparing a copy of the Ph.D. Thesis of Dr. Tewfiq Fahmy, for my reference.

I am thankful to Dr. Dev Rao, Dr. Vasant Rao and Dr.A. Satyanarayana, for their help during the preparation of the thesis.

I am indebted to Dr. S.C. Datta, Director, and Mr. M.N.A. Khan, Manager, Central Indian Medicinal Plants Organisation for the encouragement extended in the course of this investigation.

I am also thankful to Dr. M.R. Narayana, Mr.D.Ramachandra Rao, and Mr.B.P. Dimri, Scientists, CIMPO, Bangalore, for their cooperation and help.
