ACKNOWLEDGEMENT

It is indeed a great pleasure to express my deep sense of gratitude to Dr. K. Mallick for his deeply involved guidance during the thesis work.

I convey my hearty gratitude to Dr. M. K. Zambre for his co-guidance and having a great share in completion of this work.

I express my sincere thanks to Prof. R. K. Sukhtankar, Head, Department of Geology, Shivaji University, P.G. Centre, Solapur for extending his help and encouragement during the research work.

I take this opportunity to express my sincere thanks to Prof. K. B. Powar, Vice Chancellor, Shivaji University Kolhapur for constant encouragement throughout this research work.

Mr. V. V. S. Gurunath Rao, scientist NGRI had been of great help in the study of groundwater modeling. Dr. V. S. Singh, scientist NGRI has inspired for the analysis
of aquifer test data with the recent techniques. Dr. B. N. Satpathy, Dr. S. K. Ghosh, Dr. B. S. Rathor and Mr. G. S. Sarma all scientists from NGRI were helpful in fruitful discussions. I thank them all sincerely.

A team of researchers from NGRI Mrs. S. P. Samathray, Messers V. S. S. R. Gupta, C. L. Venketeshwaralu, K. Veeraswamy, Laxman, Miss. Sanghamitra Sahu, and Miss. A. Revathi who helped in processing and computing the data. I extend my hearty thanks to them. I am indebted to my colleague Dr. P. Prabhakar who helped me during various stages of the work.

I am also thankful to Dr. P. B. Joshi and his team for their help during data generation for modeling studies.

I would like to extend my thanks to my earlier colleagues Shri. B. J. Jeurkar, Shri. S. H. Parameshetti, Shri. S. K. Vadagbalkar, Shri. B. S. Patil and Shri. A. K. Khadilkar for their kind help.

I am thankful to Messers Mali, Madhekar, Kulkarni, Joshi and all other students who have extended their help during the course of this work.
I express my special thanks to the geologists of GSDA Solapur for useful suggestions and the scientists of dryland agricultural research station Mulegaon, Solapur for providing meteorological data.

My thanks are due to Messers Harshad Mehta, Chunge, Mali, Patil and Khandagale, farmers of Adila basin, for their excellent co-operation during field data acquisition.

This thesis is dedicated to my parents and I could complete it with their blessings. The help extended by wife Aruna and my children Yeshawini and Yeshwant and brothers and sisters is unforgettable. I am also thankful to Mrs. K. Mallick for her kind co-operation.

I am thankful to Shri. Kadam, Gujar, Khedkar for typing the rough drafts and Mr. J. L. Jagtap for the final typing. The figures presented in the thesis are due to excellent draftsmanship of Mr. M. Jayarama Rao, I extend my hearty thanks to him.
