I owe a deep sense of gratitude to my supervisor, Dr. B.S. Chimni, who spared his time liberally to guide me in the work on this thesis. But for his help, it would not have been possible for me to complete the study. I am grateful to Professor Rahmatullah Khan who has always been kind enough to favour me with his advice whenever I approached him. My thanks are also due to Professor R.P. Anand for his sympathetic concern in the completion of this work. I am obliged to Professor V.S. Mani, Chairperson, Centre for Studies in Diplomacy, International Law and Economics for his valuable help.
