

ACKNOWLEDGEMENT

It gives me an immense pleasure to express my gratitude to my research-guide Prof. Dr. V. N. Bapat, who met like an oasis. He has put in exemplary inspiration and guidance without which this work would have not taken the present shape. Working with him has been a great joy, which was not at all spoiled by customary formalities and unnecessary fuss about rules and regulations.

I availed myself of great support in the form of research grant from All India Council for Technical Education (AICTE), New Delhi, under R and D scheme.

I express my sincere thanks to Principal, Walchand College of Engineering for their considerable help and co-operation during the course of my research work. I express my sincere thanks to Head, Department of Electrical Engineering, Walchand College of Engineering for providing the required facilities and encouragement throughout this work.

I express my explicit thanks to Shri. N. R. Ram Krishna, Prof. Dr. S. D. Bhide, Prof. P.N. Kulkarni, Shri. P. B. Patel and Prof. S. S. Narkhede of Pune Institute of Computer Technology, Pune, for providing continuous and enthusiastic support during the final stages of this work. I also thank Prof. A. S. Jambhale, Principal, PVPIT, Sangli, for his wholehearted co-operation during the last three and half years.

I would like to acknowledge the great assistance provided to me by Dr. T. D. Sayyad, and Dr. Mrs. S. S. Pawar, Department of Chemical Engineering PVPIT Sangli, for their 'lively' guidance on the chemical aspects of the research work.

Shri. M. S. Gaikwad and Shri. M. P. Ghatule, Department of Electronics Engineering, PVPIT, Sangli have given their precious suggestions and laboratory help throughout the research work. Many thanks to them. I express my explicit thanks to Prof. N.D.Lokhande, Prof. R.B. Patil and Mr. Shantisagar Patil, Honeywell, Pune for extending all possible help during this work.

I wish to express my gratitude especially to Dr. S. R. Sawant, Dr. C. D. Lokhande, Dr. Sartale and Dr. Mane, Dept of Electronics, Shivaji University, Kolhapur for helping me in every possible way.

I take this opportunity to express my gratitude toward my Father, mother, family members, and my all Teachers who groomed me to rise to such a status.

I am indeed thankful to Mrs. A.V. Bapat for a hot and steaming cup of tea in every visit to their lovely home of great hospitality.

I am extremely obliged to Mr. & Mrs. M.P. Ghatule and Mr. & Mrs. A.P. Ghatule for their magnificent articulation in editing and printing the thesis and extending all possible help without any barriers throughout the time of research work.

Finally, I appreciate Mrs. Sunita for her wifely patience and offering all sorts of services during the tight schedule and making the Research-Activities more comfortable and joyful. My twin daughters Aboli and Sayli must excuse me for utilizing their share of my time during the entire period of research course.
