ACKNOWLEDGEMENT

I feel honored being a member of the laboratory of Professor V Subramanian and working under his sustained guidance, suggestions, criticisms and encouragements. His style of execution of programme is an example to be followed by academicians. Mere words can not express my tributes and obligations to him.

My thanks are due to the Dean, School of Environmental Sciences, JNU, for providing me facilities for this work in this school. My sincere thanks are also due to the administrative staff of SES/JNU, library staff of JNU, Delhi University and IIT Delhi for their excellent service.

I acknowledge my gratitude to Dr R Ramesh of CWR, Anna University, Madras and Dr LP Gupta of this lab for their kind help in analysis of few elements from the Department of Earth and Planetary Sciences, Harvard University, USA, and the Institute of Biogeochemistry and Marine Chemistry, University of Hamburg, Germany, respectively. My thanks are also due to Professor DM Banerjee of the Department of Geology, Delhi University for his kind help in carbon analysis. I thank Dr KMU Ahmed of the Department of Geology, Dhaka University, Dhaka, and Dr DK Barua of River Survey Project, Dhaka, for their help in the collection of discharge data. I thank Dr S Annadurai for helping me in taking printout of the textbody of this thesis. My thanks are due to Dr Chandan, Dr Jose and Mr Jatishanker who had supplied me few samples. My thanks are also due to Mr Venkat for help in XRD analysis.

I will be always thankful to Mr DK Guha, Chief Scientific Officer of Bangladesh Petroleum Institute, Dhaka, Mr BP Choudhury, Ms Shikha Noor Munshi, and Mr SK Datta for their help in my endeavor.

In New Delhi, I always enjoyed a family environment whenever, I was with Mr and Mrs JC Paul. My sincere thanks to them.

I have an extraordinarily helpful group of labmates who are unparallel in kindness. They are Seema, Subhakar, Madhavan, James, Shiva, Abdullah, Chatterjee, Dharmprakash, Prasanna, Lallan, Annadurai, Chandan and Jose. I am grateful to them for more than one reasons. My thanks are also due to Manoj and Vijay Paul for their special concern for me. My special thanks for Gopalan and Yunus for their tea and cigarette.

My sincere thanks are due to all my friends in this school and outside, whose company I enjoyed most throughout my stay in India.

My family members back in Bangladesh have been a source of immense strength and encouragement to me. It is with those cherished memories, I thrive for academic achievements.

Last but not least, I sincerely thank the people of Bangladesh and India for their help and encouragement during sampling trips.
