

ACKNOWLEDGEMENT

I heartily welcome this opportunity to express my deep gratitude and indebtedness to Dr. C.D. Kalkar, Reader in Physical Chemistry, University of Pune, for suggesting this interesting topic of research, his valuable guidance and constant encouragement throughout the course of the work. The present volume of work would not have been completed without his untiring efforts. His kind cooperation and soft-heartedness has always kept me happy, enjoying my research while I was working for the Ph.D. degree. His views towards successful life have left an everlasting impression on my life as well.

Thanks are due to Dr. G.N. Natu, former Reader in Inorganic Chemistry, University of Pune, for his fruitful discussions, valuable suggestions and constant encouragement. I have the privilege of thanking Dr. V.G. Dedgaonkar, Reader in Physical Chemistry, University of Pune, also for his valuable suggestions and encouragements particularly during the period of my thesis writing.

I am grateful to Dr. S.F. Patil, Professor and Head of the Department of Chemistry, University of Pune, Profs. M.S. Wadia and M.V. Hegde, both former Heads, Department of Chemistry, University of Pune, for providing me necessary departmental facilities.

I must express my sincere thanks to Prin. Dr. S.P. Dalvi, Prin. V.G. Kasbekar, Prin. D.G. Thamke, Prin. Dr. M.A. Shaikh and also the management of Rayat Shikshan Sanstha, Satara, for granting me permission and thus encouraging my research interests.

I am very grateful to Dr.(Ms) Neeta Lala for her everlasting friendly cooperation in this research. Also I am grateful to Dr. V.M. Raut, Mr. G.K. Kulkarni, Mr. S.A. Pathare, Mr. S.S. Jadhav, Mr. Rahul Patil and Mr. D.B. Awasare for their exchanging thoughts

and allowing me to learn many new ideas. Special thanks are due to Ms L.N. Pavangadkar, Ramesh Gururaja and Sameer Kalkar for their excellent work in getting the final print of the manuscript.

Lastly and most importantly, I bow down before my dear parents for all the sacrifice they did for me and their kind understanding and invaluable inspiration for my research. Thanks are also due to my wife Rajashree and my two loving kids Yuvraj and Vrushali for their unimaginable patience and tolerance.
