Acknowledgements

“God’s blessing has been felt like a clear finger prints at the every stage of this research work.”

Apart from my efforts, the success of this study depended mainly on the encouragement and guidelines of many others. I take this opportunity to express my gratitude to the people who have been instrumental in the successful completion of the study.

I express heart-felt gratitude to my guide Dr. J M Vyas, Director General, Gujarat Forensic Sciences University for providing keen insightful guidance and continuous motivation throughout, from thesis proposal up to thesis manuscript. His spirit, sincerity and accuracy have been proved a life-oriented education for my career and personal life. Without his guidance, Endless advices and persistent help, this would not have been possible.

I would like to express my sincere gratitude to Dr. M S Dahiya, Director, Institute of Forensic Science, Gujarat Forensic Sciences University who has initiated me to adopt the field of Forensic Science and for sharing his knowledge and constructive comments which helped a lot in improving my study. His advice on both research as well as on my career have been priceless.

I am forever in debt to Dr. Y K Agrawal, Director, Institute of Research and Development, Gujarat Forensic Sciences University for education, encouragement and personal attention with which he has provided a smooth base for my Ph.D. I would like to thank him for encouraging my research and for allowing me to grow as a research scientist.

I also express my kind feeling to Sh. C D Jadeja, Registrar, Gujarat Forensic Sciences University for giving permission to use college resources for research purpose. I am also thankful to our college librarian and staff for their ever ready support.

I also remember warm support of eminent staff of the Directorate of Forensic Science, Gandhinagar. I would like to extend my thanks to my colleagues and students of Institute of Forensic Science. It is such an honor to be a part of an academic organization like this, where the members are very amenable and fun-to-be-with. Thank you for providing a very warm
environment and being my family in university. Thank you for accepting me into the organization and giving me the chance to have a research life this fun and memorable.

A million thanks to my Research Progress committee member: Dr M V Rao, Head, Department of Zoology, Gujarat University and Prof. Sahoo for all the useful tips, encouragement, reviews and all I failed to mention that helped me make my study easier.

This thesis couldn’t have been inked in black and white without the volunteer’s participation. I would like to thank all of them. I am very grateful to all the volunteers who had come for the recordings and gave their valuable time.

I would also like to extend my thanks to my friends (too many to list here, but you know who you are!), even though you are not directly involved in this study, I thank you all for moral support, encouragements and bonding I will forever treasure.

At last but not least, I am reverent to my beloved family although you have been literally beside me when I am finishing this manuscript, I would like you to know that you all are my inspiration and motivation for everything, as I Dedicate this manuscript to all of you. Thank you for supporting me and allowing me to follow my ambitions. Thank you for letting me for the best person I am today. Without your endless support, enduring love, constant guidance, motivation and encouragement, I could not have made at this far. I Love you all from the bottom of my hypothalamus.

“Thank you, Lord for everything, the big things and the small, Thank you for blessing me much more than I deserve. Without you, I am nothing.”

Pooja Ahuja
