

# **ACKNOWLEDGMENTS**

*It has been a pleasure to work with Vineeta and Satyajit. Its primarily through them, that I have been exposed to the fascinating subject of Immunology. From them, I have not only learnt to plan and execute experiments in meticulous details, but also to critically analyze data. Their understanding and patience has been pivotal for the success of this project. They have always been very approachable and ready to discuss problems and help in taking decisions. I would like to acknowledge my gratitude to them.*

*My doctoral committee members, Prof. G. P. Talwar, Dr. Raj Raghupathy and Dr. Syed E. Hasnain, have always been very encouraging and helpful. I would like to thank them all. I would like to specially acknowledge Prof. G. P. Talwar, who has been instrumental for founding of the National Institute of Immunology.*

*All the members of the Immunobiology Group, Sanjeev, Jayant, Roshini, Pratima, Nagendra, Achal, Manisha, Chandrashekar, Shyam, Sangeeta, Inderjit, Anupama, Mijan, Deshraj and Birender; have been very understanding and helpful. I would like to thank them for providing such a congenial atmosphere to work in.*

*I would like to thank all those who have generously donated blood, many times at odd hours, with out which this work would not*

*have been possible.*

*I acknowledge the help provided by Dr. Rajni Rani, in tissue-typing donors and Anil Pahuja, in flowcytometry. Mr. Babulal, Mr. Satish and Mr. Gopal is acknowledged for reprographic and photographic work for the thesis.*

*These past five years in NII has been made memorable by all the residents of the scholars home. The members of RSH mess, Pyar Singh, Ram Singh, Darban Singh, Jawahar, and Chattar Singh, are specially acknowledged.*

*I would like to express my gratitude to Dr. S. K. Basu, Director, Mr. A. K. Aggarwal, Deputy Registrar, other Academic Cell members, the Libary Staff, Computer Center staff and other members of the NII ,who have made working in NII a pleasure.*

*I owe much to my parents, with out whose sacrifice, encouragement and prayers, I would not have reached here. Sheeba, has been a source of inspiration all through these years, and I have no words to thank her for the patience and help during the writing of the thesis.*
