I would like to place on record, my profound sense of gratitude and unfathomable indebtedness and sentiments to all those who helped me and extended their kind cooperation to me in bringing out this research to a successful culmination, knowing fully well that my words are no substitution for the pain they have taken for me.

First and foremost, I pay my tribute to the almighty '**GOD**' with the flowers of my veneration and devotion, for his graceful blessings to every step without whom nothing could have been accomplished.

I wish to express my profound sense of gratitude to the president of the Vidyapith **Prof. Chitra Purohit**, Vice-Chancellor of the Vidyapith **Prof. Aditya Shastri**, for providing state of the art facility for research at Vidyapith and for developing this institution into a world class university only by dint of their rare academic farsightedness.

I sincerely acknowledge the financial assistance provided by **DST, Rajasthan**. I would be failing in my duty if I don't acknowledge the contribution of **Dryland Agricultural Institute**, Arijia, Bhilwara, Rajasthan for providing me the material for research not may gratis but well in time.

I thank **Smt. Amita Sharma**, better half of my guide for acting as per her name, and for being unending spring of fondness and encouragement during the entire period of this work. Ever affectionate, she never graded my intrusion into their time and always extended warm hospitality. I shall remain indebted to her.

My spirited and honest acknowledgment to the Head, Department of Home Science, **Dr. Indu Bansal** for providing me this opportunity to carry out my research work. I would like to extend my heartfelt respects and thanks to teaching faculty of Food Science and Nutrition for their needful amenities and cooperation. I wish to convey thanks to my fellow research fellows **Ms. Ruchi Chaudhary, Ms. Nidhi Agarwal, Ms. Preeti Verma, and Ms. Shivanki Aggarwal** for lending a helping hand at every stage of this work which I thankfully acknowledge in no uncertain terms.

In exact sciences like nutrition, laboratory facilities are indispensable for any successful research work. I deeply appreciate the help rendered to me by the non-teaching staff of the department **Mr. Vimal Jain** and **Ms. Kamala Pareek** for their generous help, goodwill and cooperation which they had extended in making the laboratory facility handy to me during the course of this work and to the lab attendants (**Late Sh. Ram Singh, Sh. Mukesh Parrek, Sh. Mohan Sharma, Sh. Ramji Lal, Sh. Mahesh Yadav, Sh. Mukesh Gujar and Smt. Satyabhama Parrek**) help in all phases of laboratory work.

I reveal my genuine thanks to all **panelists** (M.Sc. Final Year) for their kind co-operation.

My sincere thanks to the librarian and other staff of Banasthali Vidyapith for providing me the facilities of the library at all times. Thanks are also due to the library staff of **NISCAIR, Delhi and IIT, Delhi** who allowed me to collect relevant research materials to complete this study.

My diction is too poor to express my heartfelt gratitude to my beloved Papa **Mr. Manohar Prasad** and Maa **Smt. Dharm Shila Devi**, for their constant enthusiastic encouragement which spurred me towards higher studies and with whose inspiration and unstinted support I could venture to become what I am today. I know they will be very happy to see that the dream they nurtured with inputs they provided have started reaching the fruition stage.

Vocabulary falls short of words to express my heartfelt obligations and thanks to my brother **Mr. Ashotosh, Mr. Amber** and bhabhi **Smt. Rakhi, Smt. Poornima**, for unabated support in the work. They have been a constant source of inspiration and motivation in all critical phases; especially when my morale ebbed and enthusiasm waned. They have been an unfaltering source of strength in all my academic pursuits since my childhood days. Without their loving support, this study would never complete. Ever, smiling and charming face of my little nephews **Aditya** and **Kuttu** always before my eyes act as an energy booster to me.

No words are befitting enough to express my deep sense of appreciation to my friends **Manisha Sharan, Manju Yadav** and **Priyanka Pundir** for their support during this work.

Last but nevertheless the least, I would humbly like to put on record my deep sense of indebtedness to all those who have contributed directly or indirectly in transforming an idea into reality in the form of this thesis.

Banasthali Vidyapith
