ACKNOWLEDGEMENT

At the outset, I bow to, the **Supreme Father**, by whose blessing I was motivated to take up this hectic exercise and managed it carry it to completion.

I am indebted to my parents whose hard work and sacrifices to give us a life filled with opportunities are never forgotten. I would like to pay high regards to my **parents** for their sincere encouragement, inspiration and blessings for lifting me uphill the phase of life.

I am deeply indebted to Prof. V.G. Das, **Director** without his unflappable encouragement this simply would not have been possible. After each interruption, and there were many, he was ready to support without hesitation.

I take this opportunity to sincerely acknowledge Prof. Anand Pyari Dean and Head Dept. of Foundations of Education and Prof. Vibha Nigam Head Dept. of Pedagogical Sciences, Faculty of education for all kind of help and encouragement.

I am also extremely indebted to my guide Prof. Praveen Devgan, for her valuable advice, constructive criticism and her extensive discussions around my work. You have been such an ideal adviser. Thank you for sharing this journey with me and pushing me. I was always able to bring my authentic self in our meetings. You were always supportive and believed in the final product.

I gratefully acknowledge Prof. R.N. Mehrotra, Retd. Professor, **Central Institute of Education, Delhi** and Prof. T.C.Gyanani, Retd. Professor, **D.E.I.**, for their understanding, encouragement and personal attention which have provided good and smooth basis for my Ph.D. tenure. I am much indebted to Mehrotra sir for his valuable advice in my work, spending his precious times to read this thesis and gave his valuable
suggestions. My thanks are due to Prof. Sahib Dayal for his valuable suggestions and untried help during my research work. My thanks are due to Prof. K.C. Vashishtha and Dr. A.K. Gaur for their motivation and moral support. Dr. Puri deserves my sincere expression of thanks for reading my thesis and for giving valuable suggestions.

I take this opportunity to say heartfelt thanks to Prof. N.P.S. Chandel for their helpful suggestions and comments during my research work. Sir was always there when I really needed. Thank you doesn't seem sufficient but it is said with appreciation and respect to him for his encouragement, support and guidance.

A journey is easier when you travel together. Dependence is sometimes more valuable than independence. I am thankful to Dr. Sona Dixit, Principal, Symbozia Girls’ College for her constant support and encouragement. I owe gratitude to her because she willingly devoted so much time in giving guidance to me.

My special gratitude go in particular to late Prof. Prabha Dixit with whom I started this work and many rounds of discussions on my project with him helped me a lot.

It’s my pleasure to acknowledge all the faculty members for their constant moral support. I thank Mr. Rajiev Kumar and Mr. A.P. Sharma for typing and setting my thesis. I can see the good shape of my thesis because of their help in formatting the entire thesis to make it eye appealing.

Most of the results described in this thesis would not have been obtained without a close collaboration with few institutions. I owe a great deal of appreciation and gratitude to Principals of R.B.S. College, St. Johns College, Krishna College and R.B. College, Khandari Institute and Baikunthi Devi College for granting me permission to collect the data from their students of their colleges. Students selected in my sample deserve my sincere thanks for
cooperating with me and for generating the data. I am indebted to my many faculty students and Ph.D. Scholars for providing a stimulating and fun filled environment. My special thanks is also due to Dr. Sanjay Singh, his wife Neetu, Dr. Manoj Pathak, Dr. Sarika Srivastava, Dr. Nidhi Gupta & Brijraj for their constant support.

It’s my fortune to gratefully acknowledge the support of some special individuals. Words fail me to express my appreciation to express my gratitude from the core of my heart to all of my family members specially I am heartly obliged to my dear husband Jalaj and children (Pulkit and Aparna) who co-operated a lot with me day-in- day-out and motivated me to achieve the goal of my thesis. This list is incomplete without acknowledging my special loving, warm and huge thanks to my in laws Poonam Didi , Umang ji, Mona Didi and Mohan ji for their love, care, support and creating a pleasant atmosphere for me. I convey special acknowledgement to all of them. During the inevitable ups and downs of conducting my research they often reminded me life’s true priorities by what could be the influence of loving God and having faith in Him. This helped me a lot to work for hours together tirelessly. I doubt that I will ever be able to convey my appreciation fully, but I owe them my eternal gratitude.

Last but not least, I would like to pay high regards to my Didi Sadhika and brother, Ayush for their sincere encouragement and inspiration throughout my research work. I owe everything to them. Besides this, several people have knowingly and unknowingly helped me in the successful completion of this project. They deserve my sincere expression of thanks for providing me any type of support.
