

## ACKNOWLEDGEMENT

If words are considered as symbols of approval and tokens of acknowledgement, then let the words play the heralding role for expressing my gratitude. First of all I would like to thank almighty, for all blessings and happiness showered on me. This is a unique opportunity; I wish to record my deep sense of gratitude and profound thanks to my research supervisor **Dr. M. Rajaram**, Vice Chancellor, Anna University, Chennai, who has been the main source of inspiration. His guidance and motivation has been of the greatest help to me in bringing out this work in its present shape. The direction, advice, discussions and constant encouragement given by him have been so helpful in every way to reach this final destination.

I am extremely indebted to the members of Doctoral Committee **Dr. N. Kamaraj**, Associate Professor, Electrical and Electronics Engineering, Thiagarajar College of Engineering, Madurai and **Dr. N. Devaraj**, Professor, Electronics and Instrumentation, Government College of Technology, Coimbatore. I would like to thank my institute authorities, Management, Principal **Dr. C. Jeyachandran**, Udaya School of Engineering, Nagercoil, for their valuable suggestions and support during the course of my research work.

I also express my heartfelt thanks to my parents Mr.V.Natarajan & Mrs.N.Visalatchi, Father in law Mr. V.Gopi and Mother in Law Mrs. Savithri Amma, my husband Mr. G.S.Vinoth and my sweet children Sajitha and Sanjai for all the support and love given to me despite of all inconvenience caused to them due to my preoccupation with Ph.D. work. Finally, last but not least, I thank all the persons, who have helped me in my Ph.D. work, but whose names may have been missed.
