ACKNOWLEDGEMENT

In the preparation of this Ph.D. thesis I have received help and cooperation from different quarters. First of all, I express my heartfelt gratitudes to Dr. V.M. Hilage, under whose able guidance I could complete the work of writing this thesis. But for his encouragement and critical guidance, I could never have accomplished this work. Prof. A. D. Shinde, Founder Director, Dr. M. M. Ali, Dr. P. S. Rao, Dr. T. A. Shiware and Dr. C. S. Shetti SIBER, Kolhapur gave me continuous encouragement. I am grateful to them. Dr. S. A. Somawanshi, Dr. R. V. Kirdak and Shri Basavaraj Benni gave me encouragement and helped me in the collection and interpretation of data. I must extend my thanks to them. I am also thankful to Dr. S. T. Waghmode, Shri P. J. Mhaisalkar, Shir G. M. Dhakane, Shri M. J. Mane, Shri J. Y. Bhosale and Shri A. J. Khot for their kind co-operation.

I extend my sincere appreciation to the librarians and staff of the Shivaji University Library, SIBER Library and the Library of P.V.P. Mahavidyalaya, Kavathe-Mahankal. I am extremely grateful to Shri Mohite, Shri A. R. Hingmire and other staff of the Sangli and Aurangabad Zilla Parishads, for their kind co-operation in making available the secondary data.
My heartfelt thanks are due to my loving father Shri Pandharinath, Brother Shri Chandrahas and my wife Sou. Sulochana who are my constant source of inspiration through out the study period.

I also express my sincere thanks to my colleagues, friends and well wishers for their kind co-operation and support. I am obliged to Shri A.N.Hukker, Shashi Hukkeri and D.B.Kale who typed this manuscript in a very decent manner.
