ACKNOWLEDGMENT

It is an overwhelming moment that I feel indebted to so many people who have been directly or indirectly instrumental and helpful in the completion of my thesis. Needless to say that the basic concept and its materialization in the form of a completed thesis was made possible only because of the guidance and constant support of Dr. S.S. Mehetre, Director of Research, Mahatma Phule Krishi Vidyapeeth, Rahuri, Dist. Ahmednagar. I am indebted to Dr. Mehetre for allowing me to work under his guidance. It is a great pleasure to acknowledge to great extent on which this investigations has depended on, the work of Dr. S.S. Mehetre in mutation study. I am greatly influenced by his support and relay on his foresight, enterprise and genuine encouragement. I am thankful to Dr. S.D. Pingle, the Co-Guide, Principal, K.J. Somaiya College, Kopergaon, and wish to express my gratitude, for his guidance and support.

It is my duty to particularly mention the kindness of Honorable Dr. R. B. Deshmukh, Vice Chancellor, Mahatma Phule Krishi Vidyapeeth Rahuri, District Ahmednagar for granting all the required permissions.

Hearty thanks are due to Dr. S.R. Walunj, Principal, P.V.P. College, Pravaranagar for providing me necessary research facilities and for his interest in the problem of research.

I am obliged to mention my other teachers who steered me through out the project. Among them are Prof. Dr. Gunale HOD, Dept. of Botany, University of Pune, Dr. B.B. Chaugule, and Dr. D.R. Shirke (Dept. of Botany, University of Pune), Dr. A.R. Abhang, Prof. P.E. Jagdale, Dr. A.V. Panat, Arts, Science and Commerce College, Rahuri, Ahmednagar who have encouraged me. I am very thankful to Dr. B.K. Auti, Radhabai College Ahmednagar, Dr. Gopal Reddy HOD, PVP College, Dr. Kharde and his colleagues from PVP College, Pravaranagar, Loni for their help during this period.
It also needs to be noted that the research was carried out while I remained employed in the District Sericulture Office, Ahmednagar. I would ever remain grateful to Dr. L.B. Kalantri, Director of Sericulture, Nagpur and Shri. N.R. Shet, Sericulture Development Officer-G1, Ahmednagar, for granting me the permission to enroll for the degree of Ph.D. The moral support offered by them during all these years has also proved vital, not only them but also my colleagues Shri. Baber, Shri. Kajabe, Shri. Bhambure, Shri. Khadsare in the department, have been always very supportive. I have been very fortunate to receive guidance by a stalwarts Dr. Balkrushanan, Scientist D, Central Sericultural Research and Training Institute Mysore, Dr. Munirajappa, Professor, Dept. of Sericulture, Bangalore University, Bangalore, Dr. A.D. Kadlag, Chief Scientist and Associate Director of Research, Dry land Research station, Solapur who shared their profound knowledge of mutation breeding and chemical analysis with me. Faculty from the Mahatma Phule Krishi Vidyapeeth, Rahuri, who spared their time to help me in the respective fields of their expertise, namely Dr. Deshpande, Dr. Nawale, Dr. Mate, Dr. Durgude, Dr. Naik and Dr. Anand Jadhav.

I am greatly indebted to Dr. Jagtap, Mr. Gaurav Baber, Mr. Sunil Gat, Mr. Shete, Mr. Gorakh Shirsath and their colleagues who helped me in the field work for my field data.

I am grateful to the Bhabha Atomic Research Center, Trombay for kindly permitting me to irradiate the plant material. Dr. Suresh Bhagwat, Head, Dept. Agri. and Biotech BARC Mumbai have been very helpful and encouraging. I am also grateful to faculty members and students from biotech laboratory MPKV, Rahuri, who helped me during EMS treatment. I am thankful to Dr. G.B. Sing from BIAF Uralikanchan, Pune and Mr. Anand progressive farmer who supplied me the cuttings of planting material. I am also thankful to Director of Central Sericultural Training and Research Institute, Mysore, Karnataka and Dr. Munirajappa, GKVK University, Bangalore,
Karnataka for making the references available very promptly. I am grateful to Mrs. Sandhya and all the staff of library of Central Sericultural Research and Training Institute Mysore for their kind help.

Mr. Gore from MPKV, Rahuri and my brother Mr. Kiran Deshpande, Mr. Siddhartha Dixit was very generous to give technical support and their valuable time for field photography. I wish to extend special thanks to Dr. Mohan Ram Rao, Dr. Jalja Kumar, Scientist C, Dr. Vindhya Scientist D Central Sericultural Research and Training Institute, Mysore Karnataka, Dr. Anilkumar, Mr. Dinesh have been helpful from GKV university Bangalore. Special thanks, to Dr. Shinde, Dr. Nimbalkar, Dr. Kaledhonkar for helping me in statistical analysis of the data, and all the moral support.

Thanks are due to senior officers and colleagues from sericulture department particularly Mr. Pawar S.K., Mr. Mhatre R.Y., Mr. Mohite, Mr. Aher, Mr. Patankar Mr. Hajare, Mr. Sorte and Mr. Ingle and Mr. Aagam for their encouragement. I gratefully acknowledge the support of my uncle Dr. K.N. Wavhal, my friend Dr. Usha Dhole, Mrs. Sujata Mule. My aunt Dr. Sunila Kulkarni, Dr. Zanje is duly acknowledged for his help and treatment for keeping me physically fit thought-out my research. Mr. Kambale, Miss. Suwarana Bachkar, Mrs. Rohini Dale who never hesitate in offering a helping hand in the field and well as in the laboratory.

It goes without saying that no thesis can see the light of the day without the co-operation of Dr. A.D. Kadlag and friend like Dr. Mrs. Sharayu D.Sathe, HOD, Garware College, Pune and Prof. D.H Sathe. I am also thankful to them and for critical suggestions while compiling the thesis.

The technical assistance given by Mr. Sandip Salvi, Mr. Rakesh Rathod and Mr. Gaikwad in computation and DTP work was of great help. Thanks are due to Miss. Priyanka and Miss. Nikita for all kinds
of help, support and assistance in provisions of technical resources at the time of thesis writing.

I must mention thanks to my friends Prof. Mrs. Seema D. Gaikwad, Prof. Dilip Gaikwad, Dr. Satish Deore, Mrs. Smita Lele and so many friends, relatives, colleagues and all my well wishers for their constant moral support.

Within the family of course, the blessings of my father, late Mr. Narayan D. Deshpande and mother Late Sou. Shobha N. Deshpande, support of my sister Mrs. Shilpa S. Deshpande and brother in laws Mr. Shekhar B. Deshpande, my brothers Kiran, Kishor and Narendra with their spouses Mrs. Asha, Mrs. Manisha and Mrs. Anjali and my all nephews have formed the base of my inner strength. Last but never the least are the blessings of almighty God who never let me buckle under the pressure of this project and by providing me all the necessary mental and physical strength. No words are enough to express my feelings to all the above mentioned.

Kavita N. Deshpande
