ACKNOWLEDGEMENT

With regardful memories

At last the moment has come to look into the layers of heart, which is filled with the feeling of togetherness, loveliness, consolation and satisfaction, a sign of relief and a sense of fulfillment. Some are momentary and some are permanent, but both involve a number of near and dear persons to whom I acknowledge my warm regards and take this opportunity to express my feelings during the course of research and putting them in black and white.

Achievements raise one to the brink of joy. It is my bound duty at this juncture of the successful completion of my research work to recall all the faces and spirits in the form of teachers, friends, near and dear ones. I would be failing in my duty if I do not attend the task of acknowledging the overwhelming help received during this endeavour of mine.

First and foremost I like to bow to lord who shows me way all the time and shepherds me. It is by his grace, I could complete this decanting task.

I express my heartfelt gratitude and honest thanks to Dr. Achla Gakkhar, Professor Home Science Extension Education, Department of Home Science Extension Education, Dr. B.R. I recall the words of Henry Adams who said “A teacher effects eternity, he can never tell when his influence stops.” I am overwhelmed with heartfelt feelings of gratitude and profound indebtedness to Dr. M.S. Meena, Senior Scientist, ICAR Research Complex for Eastern Region, Patna for his sensible criticism in ameliorating the research proposal and valuable counsel during the course of my investigation as well as at most help and encouragement rendered during the research period.

life without whose help in every walk of life, this work would not have been possible. I also take this opportunity to express my obligations and love for all my relatives for their help, co-operation, loving and selfless interest shown in my task.

I have no formal words of acknowledgement to express my deep feelings and heartfelt thanks to my dearest friend and husband Sandeep for his constant inspiration and moral encouragement.
