

LIST OF TABLES

NO	PAGE
CHAPTER TWO	
Table 2.1 Poverty estimation for Sri Lanka	46
Table 2.2 Changes in sectoral poverty	57
Table 2.3 Poverty Head Count and regional divide	59
Table 2.4 Poverty gap data for the <i>Western</i> and <i>Backward</i> provinces	60
Table 2.5 Composite rank of poverty incidence by districts	63
Table 2.6 Case data showing the effects of central tendency	64
Table 2.7 Poverty levels by gender for 1996/97-2002	66
CHAPTER THREE	
Table 3.1-Decile distribution by spending units - income data	70
Table 3.2- Other measures of income distribution for 1973-2003/04	72
Table 3.3- Expenditure share by quintiles and growth by quintiles	76
Table 3.4-Income inequality trend based on HEIS data (1970-2002)	78
Table 3.5-GINI coefficients by sectors by income receivers	80
Table 3.6- Female income recipients as a percentage of the population	82
Table 3.7-Mean income share and worsening gaps -first phase of liberalization	84
Table 3.8- Income inequality by sector; Gini coefficients	84
Table 3.9 Student enrolment and income distribution	88
Table 3.10- Mastery of educational skills by sectors	89
Table 3.11 –Quality difference of schools	90
Table 3.12 –Trends in student enrolment for educational streams	90
CHAPTER 4	
Table 4.1- GDP growth by periods	97
Table 4.2- Export-led industrialization strategy	102
Table 4.3- Economic growth and poverty incidence	106
Table 4.4- Growth rates of the mean income (real) of spending units	110
Table 4.5- Changing Pattern of the GDP by sectors	111
Table 4.6- Rate of growth of sectoral GDP by periods	112
Table 4.7- Expenditure on health and education as percentage of GDP	121
Table 4.8- Pattern of decline in public expenditure (Rs. Billions 1974=100)	123

CHAPTER 5	
Table 5.1: Changes in the relative position of agricultural GDP	126
Table 5.2: Data on the elasticity of employment	127
Table 5.3: Percentage employed by status of employment	136
Table 5.4: Employment, gender and urban-rural divide	137
Table 5.5: Dichotomies in earnings by sectors	138
Table 5.6: Rates of underemployment for 1978/79 - 2003/04	139
Table 5.7: Changes in 1977 and their impact on price levels	141
Table 5.8: Revised GPS prices and their impact on farmer incomes	145
CHAPTER 6	
Table 6.1 –Trends in the paddy sector	152
Table 6.2- Falling producer margins in paddy; a macro view	155
Table 6.3-Micro finance programmes by institutions	169
Table 6.3- Falling value of poverty alleviation benefits per household	181
CHAPTER 7	
Table 7.1- Summary of field surveys and data collection methods	186
Table-7.2- Poverty incidence data by surveys	187
Table 7.3- Data on Human Poverty for the Villages	190
Table 7.4 – Comparative data on the conditions of employment	192
Table 7.5 –Income distribution data for Suriyawewa and Lunugamwehera	193
Table 7.6 Data on farm structures in the area studied.	195
Table 7.7 - Yield data for the study area	196
Table 7.8- Cost of Production for a typical one hectare farm	197
Table 7.9 –Data on paddy prices	198
Table 7.10- Paddy Cultivation and Marketing in Maha Season	199
Table 7.11- Changing producer margins by farm size, price and cost conditions	201
Table 7.12 –Economics of Banana cultivation	203
Table 7.13 – Factors that govern performance of banana crops	205
Table 4.14 Total income and indebtedness	210
