ACKNOWLEDGEMENTS

"Success is not free floating, it is deep diving."
"Quite moments are life's reward"

At the onset I would like to express my gratitude to almighty GOD who gave me the strength to overcome all the obstacles throughout the pursuit of studies and Shri Saraswati Mata and Lord Ganesha for directing me the path of honesty and well being.

I wish to convey a deep sense of gratitude to my research guide Prof. Sandhya Y. Rane for giving me an opportunity to work under her supervision and getting me introduced to the fascinating area of Metalloenzymes and Magneto Chemistry. Her approachable and pleasant nature has helped me in expressing all the ideas both scientific and non scientific that came across my mind during the research tenure which has indeed helped me in realizing some very interesting aspects of my work.

I wish to thank Prof. R. S. Kusurkar (Head, Department of Chemistry, University of Pune), Prof. S. B. Padye (Former head, Department of Chemistry), Prof. Shobha Bhijde (Former head, Department of Chemistry) for providing me all the facilities and extending their support during my research tenure in the Department of Chemistry.

I sincerely thank Dr. Sunita Salunke Gawali for her perpetual help throughout my research tenure during her stay in Max-Planck-Institut für Bioanorganische Chemie, Mülheim an der Ruhr, Germany and Indian Institute of Technology, Powai, India. I earnestly thank Prof. E. Bill, Max-Planck-Institut für Bioanorganische Chemie, Mülheim an der Ruhr, Germany for providing extremely important data on my compounds.

I am greatly indebted to Dr. D. Srinivas, Dr. M. M. Bhadbhade and Dr. Rajesh Gonnade from National Chemical Laboratory, Pune, India, for providing me valuable data and generous help along with useful discussions and support.

I am extremely thankful to Dr. S. K. Date, Department of Physics, University of Pune for being very kind and for providing generous help all the time.

I am privileged to thanks Prof. S. P. Gejji, Dr. A. S. Kumbhar, Prof. S. K. Pardeshi, Prof. V. D. Kelkar, Dr. S. K. Haram, Prof. D. D. Dhavale, Department of Chemistry for all the encouragement and support I have recieved from them.

I take this opportunity to thank all the administrative and technical staff at the Department of Chemistry, University of Pune.

I wish to convey my gratitude to Dr. Shrikant Gupta (Principle, Abasaheb Garware College, Pune) for his parental support, guidance and motivation before and during my research tenure.

I am greatly indebted to most of the research scholars from Organic, Inorganic, Physical and Biochemistry Divisions, University of Pune especially, Anuj, Rahul, Pravin, Purushottam, Navin, Vishwas, Satish, Vitthal.

A special mention of my labmates Dr. Khursheed Ah., Dr. A. Todkary, Dr. Mrs. U. Bapat, Ms Rupali, Mr. Nurullah Feiz, Ms Kirti Badve, Mr. S. Dumbare, Mr. R. Kurhade and my seniors Dr. Thube, Dr. Sunita Salunkhe, Dr. Shobha Dagade, Dr. Salvekar is greatly acknowledged.
I am greatly obliged to all present and former General Manager, H. E. Factory (Indian ordnance Factories), Khadki, Officers, JWM’s, Staff’s and IE’s of TNT section, for giving me opportunity and support for research work. I am greatly thanks to all my friends of H. E. factory specially S. B. Batwal, G. S. Chavan, S. M. Kale, R. N. Gaikwad, R. D. Shinde, A. Shivkumar, S. K. Jhariya, A. Beer and others for all the help and support I have received from them.

I am filled with a sense of pensiveness at the indelible association and close interaction with my friends Ganesh Bhussa, Yogesh Nandurkar, Rangnath Bhagat, Vaibhav Waiure, Pankaj Kandalkar, Lalit Bhosale, Amit Pimpale, Dr. Amit Kudale, Sunil Lonkar, who’ve been there throughout during my busy schedule.

I thank my close relatives Agre family, Auti Family, Yadav Family, my uncle/aunts, cousin (Brother and sisters) for their help and blessings.

Also, I express my deep gratitude to Mr. and Mrs. U. Y. Rane, Mr. R. Y. Rane, Mr. and Mrs. Thorat, family members of my guide for their love, care and affection.

My entire journey of life till date is indebted to the immense love, care, support and patience that come from my family. I thanks and love my father Babaji Zaware and Mother Shakuntala who has been source of inspiration for hard work and pursuing my studies which was their dream and expectations from me. I admire my brothers Govardhan, Sudam and sister Meera, Sister in laws Alka-vahini, Reshma, brother in law Sureshdaji for boosting my moral and being there for me everytime. A special mention of my nephews Snehal, Sakshi, Sanket, Manoj, Sagar, Akshay, who has rekindle my life with delight. Also I thank to my sister in law Manisha and Minal, brother in law Milind for their care and love.

I reserve the last line for the most influential person in my life, my wife Maya and daughter Rishika, whose presence brings smile on my face. I thanks for their constant love care, understanding and sacrifice during my research tenure.

I take this opportunity to wish my family, teachers and friends a very good luck, good health, happiness and continued success in life and most satisfying and enjoyable future ahead.
