Acknowledgements

With ineffable gratitude, I sincerely acknowledge my supervisor Dr. P. C. Rath for introducing me to this exciting field of molecular biology and providing invaluable guidance and encouragement he rendered me from time to time. His valuable suggestions helped me to carry out the work. I thank him for promptly providing the requisite facilities for smooth pursuance of my work. I am grateful to him for giving full freedom of work.

The kind gifts of the mouse IRF-2 cDNA (pIRF-2.5) and HEK-293 cells from Prof. Taniguchi, University of Tokyo and Prof. A.C. Banerjea, National Institute of Immunology, New Delhi, respectively, is gratefully acknowledged. The kind gift of VRE-β plasmid DNA from Prof. Charles Weissmann is gratefully acknowledged.

I sincerely thank Prof. P. K. Yadava Dean, School of Life Sciences for providing all necessary facilities for pursuing my research work. I also thank the former Deans the School of Life Sciences, Prof. R.N. K. Bamezai, Prof. A. Bhattacharya and Prof. R. K. Saxena for extending all necessary facilities during the course of work.

I sincerely thanks to Mr. Saurabh for carried out MALDI-TOF analysis of my proteins. I heartily acknowledge the MALDI-TOF facility (UPOE-project) of SLS, JNU.

I am heartened to acknowledge my senior colleagues in the laboratory Gagan Bajaj and Menakshi Upreti for their help. I thank to my labmates Artta, Ankush, Rashmi, Jyothi, Manish, Deepak, Sandeep and Bhaskar for
their help and maintaining cheerful and conducive atmosphere for good research.

My seniors Prem Gupta, Md. Nasim, Prabhat Mondal, Dheeraj Malhotra, Md. Alam, Sudhakar Jha, Kiran Bala, Rajesh Hindav, Mrs. Bivha, Raju Gadpyale, T.V. Neelkantan, Mr. Sujith, Sindhu, Bindu, Suresh, my friends Suranjit, Vijay, Sonal, Samgmitra, Sanjai, Ganesh, Jitendra, Omprakash, Satpal, Manju, Angana, Bimala, Kamaal, Vikas, Rahul, Prasad, Sarathi, Ganesha and all the juniors of 2002 to 2006 batches have made SLS one of the best places to work.

I am grateful to my M.Sc. friends Md. Afaque, Md. Madni, Md. Firoz, Prabhat, Manish, Kundan, Jyoti, and Jayant who have helped me directly or indirectly during my Ph.D.

I would like to specially acknowledge the M.Sc., SLS, Lab Staff Panwar ji, Ram kripal and Ajit ji for their assistance during my Phd work.

The administrative support of Mr. S. P. Singh, AO, Meenu madam, other SLS staff, CIF staff B.A. Khan, S.K.Mishra, S.P. Sharma and Mr. Saini is acknowledged.

My close friends Neeraj, Suvash, Rahul were the unlimited source of joy and happiness. Their suggestions were always useful and infused me with fresh ideas.

My parents' constant encouragement has enabled me to reach this stage. Words fail me here since I can never thank them enough. My uncle, aunty, my brother, sister, bhaiya, bhabhi, mausa and mausi without their support, encouragement the work would not have come out in this form. They occupy a special place in my life, which could not be explained in mere words.
Financial support from the Council of scientific and Industrial Research (C.S.I.R) is gratefully acknowledged.
