ACKNOWLEDGEMENT

I consider myself fortunate to have got an opportunity to work under the valuable guidance of my GURU Prof. N. R. Phadnis. I wish to convey my deep gratitude for his valuable advice, constant encouragement, keen interest, suggestions and inspiring guidance right from the suggestion of the topic up to the completion of thesis during this work.

I have no word to express my sincere thanks to Hon. Jayantraoji Patil and Management of Kasegaon Education Society, Governing Body Members, Ex-Principals for their kind help in carrying out the research successfully.

My sincere thanks to Hon. Shamrao Patil and Prin. R. D. Sawant Governing Body Members for their constant support, co-operation during my research work.

I am very grateful to doctors of Kripamayee Hospital, Miraj; Ruby Hospital, Pune; Bombay Hospital, Mumbai; PH medical Centre, Pune; Kulkarni Hospital, Sangli; Lotus Hospital and Research Center, Kolhapur for giving facilities and data of EEG signal with their valuable advice.

I would like to thank Dr. Mrs. Ushadevi Patil, Director and research scientist, Bharatiya Research Center, Pune; Prof. Patil S. P., Head of Electrical Engg. Department, Rajarambapu Institute of Technology, Rajaramnagar, Dr. Udapi V.R., Principal College of Engineering, Fonda, Goa for their suggestions and help in completing this work.

I would like to express my indebtedness to the Prof. Dr. B.R. Badawe, Principal, Rajarambapu Institute of Technology,
Rajaramnagar for providing me encouragement and technical facilities required for completion of this research work.

My sincere thanks to Vice Principals, Heads of all Departments and staff members of Rajarambapu Institute of Technology for their encouragement throughout this research work.

My special thanks to all the staff of Electronics and Electrical Engineering Department, Rajarambapu Institute of Technology, Rajaramnagar for their sincere help and cooperation.

I wish to acknowledge with gratitude to Dr. Mrs. Ushadevi and kids Neha, Nikhil and all the members of my family for their forbearance and constant encouragement. Without their positive thinking, kind and silent support this work would neither have been possible nor could it have been completed.

Last but not the least, I would like to thank all those who helped me directly or indirectly in completion of this work.

PATIL SAMBHAIJ A.
