

## **ACKNOWLEDGEMENTS**

This dissertation was undertaken and completed under the supervision of Dr. C.J. Jahagirdar, Professor and Head, Department of English, Shivaji University, Kolhapur. With his enormous critical insights, patience and invaluable guidance, Dr. Jahagirdar was a constant source of encouragement at every stage of the work. This formal acknowledgement, I am aware, is an inadequate expression of my sense of gratitude to him.

I am thankful to the authorities and the staff of the Shivaji University, Kolhapur for the financial assistance under Minor Research Project Scheme for my travel to the ASRC, Hyderabad. I am thankful to the Librarian of the Shivaji University and the Director of the American Research Centre, Hyderabad for offering me all the necessary facilities.

I record my sincere thanks to my colleagues in the Department Dr. P. B. Patil, Dr. Maya Narkar, Dr. Jayaprakash Shinde, Dr. Prakash Deshpande and Dr. L. R. Moktali for their unfailing support and encouragement in the pursuit of this work.

I would like to put on record my appreciation of the patience and endurance of my family members, Mrs. Sharada and children- Aniket, Priyanka and Prasad, without whose co-operation this work would not have been possible. The support extended to me by my brother Shri Vishnu Jadhav and my brother-in-law Shri S. R. Thorat deserves to be mentioned with due thanks and respect.

It gives me great pleasure to express my gratitude to my mother, Mrs. Indira Jadhav, who always encouraged me in my endeavour.

I dedicate this work to the sweet memory of my father, the Late Mr. Laxmanrao Jadhav, who was a shaping influence on my educational growth and career.

Kolhapur.
