

ACKNOWLEDGEMENTS

I have immense pleasure in expressing my deep sense of gratitude and indebtedness towards my guide, Dr. V.S. Kothekar, Reader, Department of Botany, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for suggesting me the present problem, and for his valuable guidance, keen interest, timely suggestions and constant encouragement during the entire course of the present investigation.

I also express my deep sense of gratitude and indebtedness towards Dr. M. S. Kachole, Professor of Biochemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for providing me a Research Associateship under the UGC project at his department and for his timely suggestions and encouragement during this study. I also extend my thanks towards Dr. S. S. Pawar (Rtd. professor and Head) of the Biochemistry department.

I'm also very much thankful to Dr. T.G. Krishna, Dr. S.E. Pawar and Dr. R.K. Mitra all from Bhabha Atomic Research Center, Mumbai and Dr. A. M. Harsulkar and Dr. A.P. Giri, National Chemical Laboratory, Pune, for their valuable suggestions and discussion during this present investigation.

I take this opportunity to offer my heartiest thanks to all the former Heads (Prof. A.B. Sapre, Prof. L.V. Gangavane and Dr. N.P. Vaikos) and present Head Dr.

D.S. Mukadam, Department of Botany, Dr Bahasaheb Ambedkar Marathwada University, Aurangabad for providing me all the facilities required for undertaking the present research work.

Mr Subhash More, Mahesh Kulthe, Bhausahab Jadhav, Prakash Maske, Nikhil Gaikwad and Ramhari Phatak, all of my friends, supported me in various ways during this investigation, I express my thanks to all of them. I also wish to record my feelings of gratitude towards all the research colleagues of department of Botany and Biochemistry, Dr Babasaheb Ambedkar Marathwada University, Aurangabad.

Last, but not least, I wish to record my deep feelings of gratitude towards my parents and brothers in providing me all their blessings during the completion of my present research work.

(Sudhir Bale).
