Acknowledgement

I wish to place on record my deep sense of gratitude to my research guide, Dr. S. Sivaram who helped me immensely at this critical stage of my career. He taught, criticized, encouraged and advised me during all stages of my work. It has been a great privilege to have him as my thesis supervisor. I could learn a lot from him professionally as well as personally. I will always be indebted to this patient and outstanding gentleman.

I would like to offer my everlasting gratitude towards the late Prof. A. Kameswar Rao, S.K. University, Anantapur, whose timely suggestion led me to pursue my research at NCL. I shall always be indebted to him.

Dr. T.P. Mohandas and family deserve a special citation at this juncture for their constant support in all aspects during the course of this investigation. I really feel, I will miss their sweet voice. Thank you very much sir, for all the affection you have shown towards me. I am also thankful to Mr. S.R. Srinivasan (Retired Scientist, Polymer chemistry division, NCL) for his encouragement during my initial stages of research.

I am thankful to Drs. R. Kamalesh Babu, P.K. Saxena, K. Radhakrishnan, K. Rajesh kumar, A.V. Sainath, N.K. Singha, N. Sarkar and Mr. D.H. Gholap, for their valuable suggestions. I owe deeply to ever-trustful Bhoje, Deva, Jaya, John, Krishnamohan, Malli, Raghunath reddy, Srikanth and family, Sivappa, and K.N. Rao for always being with me.

I am also thankful to Drs. S.P. Vernekar, P.P. Wadgaonkar, R.P. Singh, B.D. Sarwade, C. Ramesh, R. Mani, C.V. Avadhani, B.M Shinde, C. Bhaskar, U. Natarajan, D. Nabi, V. Raghunath, A. Vishwaprasad, L.S. Ramanathan, O.Yemul, and N. Parag for their valuable suggestions. My end less thanks to my fantastic labmates Saptarshi, Rajesh, Amrita, Subramani, Sumit, Sachin, Santhosh and Sameer for every thing they have done. I will really miss them. I am also thankful to Gnaneswar, Sony, Bapat, Anjana, Neeta, Mahua, Sulatha, Shyamroy, Sandhya, Anuj, Shrojal, Solanky, Dr. Tosh, Anjali, Sneha, Nilakshi and Smitha for maintaining friendly environment in the lab.

I am thankful to my friends Krishnakanth, Nagaprasad, Mahesh, Sridhar, Ekambaram, Srinivas, Vasu, Subbarao, Sivakumar, Ramesh, Raghupathi, Ramakrishna, Bhargav, Dash, Sudeep, Upadhya, Sivasankar, Bhushan, Govindaraju, Prakash & Rachana, Ramesh & Meena, Nageswar Rao, and Prasad Pujar for giving me a helping hand at
some time or the other.

Special thanks are due to Dr. P.R. Rajmohan and Roopali for taking considerable pain in the analysis of NMR samples. Special thanks to glass blowing and electrical sections also for their timely help.

I wish to thank Shaikh, Gracy, Tangade, and Suryavamshi for their help in office matters.

I am extremely thankful to my school teachers Mr. and Mrs. Israel, R.K. Dasegowd and my physics lecturer Dr. Y. Narasimhamurthy (SSBN Degree College, Anantapur) who inspired me to achieve higher education in my life. I wish to thank my professors Dr. A.V. Rajulu, Dr. S.V. Naidu, Dr. K. Mohanraju, Dr. N.S.R. Reddy and Dr. K.C. Rao, of S.K. University, for their advice.

I would like to thank Dr. R.K. Dinnappa (Scientist, MIDHANI, Hyderabad) and family for their kind support at critical stages of my life. My cousin M. S. Krishna has been a good motivator for me, always, which has helped me to reach greater heights.

I am also thankful to my friends Ramasubbareddy, Ramanareddy, Suryanarayana, Raghavareddy, Jayaramireddy, Veera, Madhu for their cooperation.

Finally, I would like to thank the Director, National Chemical Laboratory, for providing me the infrastructural facilities and allowing me to present this work in the form of a thesis and to the Council of Scientific and Industrial Research, New Delhi, for awarding me with a senior research fellowship.

The most valuable persons in my life without whom this thesis would have been just a dream...My Parents, whose love, blessings and inspiration and my dearest brother's constant support and my father & mother in-law's affection and my life partner's motivation and my sweet son Anuraag's smiles are acknowledged from the bottom of my heart.

M.J. Yanjarappp
