LIST OF FIGURES

Fig No. | Title                                                                 | Page No. |
--------|----------------------------------------------------------------------|----------|
        | **CHAPTER ONE: INTRODUCTION**                                        |          |
1.1     | Peak season: State intervention through procurement operations       | 9        |
1.2     | Lean season: state intervention through PDS                          | 10       |
        | **CHAPTER II : FUNCTIONING OF THE TARGETED PUBLIC DISTRIBUTION SYSTEM IN KERALA – STRUCTURE & POLICIES** |          |
2.1     | Working of the TPDS in Kerala, Allocation, Lifting and Distribution process. | 62       |
2.2     | Organization structure of the Kerala Civil Supplies Department       | 66       |
        | **CHAPTER III : PUBLIC DISTRIBUTION SYSTEM IN KERALA - REVISITING THE SALIENT FEATURES** |          |
3.1     | Trends in rice production in Kerala (1961-62 to 2004-05)             | 81       |
3.2     | Trends in rice cultivation in Kerala (1961-62 to 2004-05)            | 82       |
3.3     | Trends in yield of rice in Kerala (1961-62 to 2004-05)               | 82       |
3.4     | Trends in production of tapioca in Kerala (1965-66 to 2004-05)       | 87       |
3.5     | Trends in tapioca cultivation in Kerala (1965-66 to 2004-05)         | 87       |
3.6     | Average cereal consumption by different income groups in rural Kerala | 98       |
3.7     | Average cereal consumption by different income groups in urban Kerala | 98       |
3.8:    | Average rice consumption by different income groups in rural Kerala  | 99       |
3.9     | Average rice consumption by different income groups in urban Kerala  | 99       |
3.10    | Average consumption of cereal substitutes in rural Kerala            | 101      |
3.11    | Average consumption of cereal substitutes in urban Kerala            | 102      |
3.12    | Calorie consumption in rural Kerala                                   | 105      |
3.13    | Calorie consumption in urban Kerala                                   | 105      |
3.14    | Trends in population per fair price shop: India and Kerala           | 115      |
3.15    | Per capita offtake in India and Kerala (1961-62 to 2004-05)          | 117      |
3.16 State-wise per capita consumption from the PDS in India (1986-87 and 1999-000) 118
3.17 Per capita monthly consumption of food grains from the PDS in rural Kerala (1986-87 to 2004-05) 120
3.18 Per capita monthly consumption of food grains from the PDS in urban Kerala (1986-87 to 2004-05) 121
3.19 State-wise per household consumption from the PDS in the rural and urban areas of India (2004-05) 122

CHAPTER IV : PUBLIC DISTRIBUTION SYSTEM IN KERALA: COMPARISON OF PRE AND POST-TPDS PHASES (An Inter-District Analysis)

4.1 Allotment and offtake of rice in Kerala by BPL households in Kerala 134
4.2 Allotment and offtake by AAY households in Kerala 136
4.3 Allotment and offtake by APL households in Kerala 136
4.4 Per capita rice offtake in Kerala 137
4.5 Per capita wheat offtake in Kerala 139
4.6 District-wise share in offtake: Pre-TPDS and Post-TPDS 158
4.6 District-wise per capita offtake in Kerala during Pre-TPDS and Post-TPDS phases. 161
4.7 Source of rice consumption in Kerala 170

CHAPTER V : PUBLIC DISTRIBUTION SYSTEM: THE “PRICE” PERSPECTIVE

5.1 Food grain market in Kerala 187

CHAPTER VI : TARGETED PUBLIC DISTRIBUTION SYSTEM IN KERALA: A MICRO ANALYSIS

6.1 Wholly dependent, partially dependent and non PDS dependent BPL households 235
6.2 Source of rice consumption of BPL households 239
6.3 Source of rice consumption of APL households 240
6.4 Proportion of rice requirements met through PDS of all BPL households and the economically vulnerable BPL households 244
6.5 Proportion of rice requirements met through PDS of all APL households and the economically vulnerable APL households 244
6.6 Utilisation of PDS by all BPL households and the wrongly targeted households in Kerala 252
6.7 Economic conditions of BPL households (underutilizing PDS) and APL households consuming ration rice 258
