ACKNOWLEDGMENTS

I am above all, grateful to my guide, Dr. Suman P. Karandikar, for the various roles she has performed for the completion of my research.

The researcher expresses her gratitude towards Professor Suresh Gajendragadkar, former Head of the Department of Environmental Engineering, M.I.T., Pune, for his guidance in carrying out research.

I thank Dr. V. S. Deshpande, former Professor and Head of the Department of Education, University of Poona, for giving consent to do the research at the department and for maintaining my interest in research. I am also thankful to present Head of the Department of Education, University of Poona for the help in completing formalities necessary for the presentation of my thesis.

Next, my thanks go to Mrs. Shubha Dighe, former Principal of Tilak College Of Education, Pune, for allowing me to execute the programme in the college, without which I could not have completed my work.

I am thankful to Dr. Kale, former Professor, Department of Statistics, University Of Poona, for his guidance while doing statistical analysis.
I am also thankful to the Principals of other Colleges of Education affiliated to University of Poona, for giving full cooperation while doing survey in the respective colleges.

The students of Tilak College of Education (doing B. Ed. in 1993 - 94) participated in the training programme in the midst of their heavy schedule. I am thankful to them.

A number of experts in different fields have spared time for discussing various aspects of research with me. I heartily acknowledge their valuable suggestions.

Indian Institute of Education, Pune, SCERT, Pune, Jayakar Library, University of Poona, the British Library at Pune, made me the necessary books easily available that helped me to give my research work the present form. Without them I could not have completed my work.

I am thankful to Mr. Jayant Palsule and his family for allowing me to use his computer at no cost and for the help offered during typing.

My husband, Mr. Sunil Naravane, has brought my ideas about testing of environmental awareness on paper in the form of memory drawings. I am extremely thankful to him for the same and moral support given to me during my prolonged research work.

My mother Dr. B. D. Phadke has inspired me to do the research. I express my gratitude towards her. My
brother Dr. V. D. Phadke, my family members and my friends have helped me a lot in completing my research. I owe to their loving help a lot.
