ACKNOWLEDGEMENTS

This research work and compilation of the thesis have been possible thanks to the invaluable guidance, sustained co-operation and helpful suggestions from various people during the course of my work. It is with a deep sense of gratitude that I remember their help.

I am deeply indebted to my guide and Chairperson of the Department of Botany, Bangalore University Prof. D.H.Tejavathi for her invaluable guidance, supervision and encouragement throughout the course of the research.

My sincere thanks are due to Prof. D.Anusuya and Prof. S.R.Ambika, former Chairpersons of the Department of Botany, Bangalore University for the co-operation extended to me during my tenure in the Department as a teacher fellow.

I express my gratitude to Prof. R.M.Ranganath, Former Chairman, Dept. of Botany, BUB and Prof. Shadaksharaszwamy, Dept. of Geology, BUB for the encouragement and support extended.

I acknowledge the help and valuable suggestions of Mr.R.Nijagunaih and other faculty members of the Department of Botany, BUB during the course of my study.

I am grateful to Dr.B.S.Ragini Narayan, Chairperson, BMS College for Women, Bangalore, Dr. M.D.Muthamma, Director, BMSCW, Prof. M.Mukambika, Principal, BMSCW, Prof. S.P.Chudamani, former Principal, BMSCW and Dr. N. Nanda, Sr.
Vice Principal, BMSCW for the support and encouragement in my academic advancement. My sincere thanks are also due to my colleagues in the Department, Dr. P. Anitha and Mrs. Ashalatha for their co-operation.

My heartfelt thanks to my friends Ms. Indira Nanatah, HOD of Biosciences (UG), CMR College, Bengaluru and Dr. D. Leelavathi, Vice-Principal and HOD of Botany, MES College, Bengaluru for their invaluable help and suggestions during the course of my work.

My sincere thanks to my friends in the Tissue Culture laboratory of the Department of Botany, BUB, Dr. S. Padma, Mr. R.V. Madhusudhan, Mrs. Smitha, Dr. Khetaram and Mrs. Shobha for all the help and co-operation and for creating a friendly and congenial working environment.

I humbly acknowledge the help and valuable suggestions of Dr. M. Vasundhara, Professor, Dept. of Horticulture, GKV, Bengaluru, Dr. B.N. Sathyanarayana, Professor, Dept. of Tissue Culture, GKV, Dr. Balakrishna, Professor, Dept. of Microbiology, GKV, Mr. Devraj, Chief Librarian, GKV, Bengaluru and Dr. Pratibha Hebbar, Ayurvedic Practitioner, Bengaluru for their timely help and valuable suggestions.

I express my profound sense of gratitude to University Grants Commission, New Delhi, College Development Council, Bengaluru and The Directorate of Collegiate Education, Bengaluru for providing me an opportunity to pursue Ph.D under UGC- FDP-XI Plan.
My special thanks are due to my family - my husband Dr. M.P. Rajendra, my son, Mr. Anoop and my Daughter-in-law Ms. Deepthi without whose encouragement, suggestions and cooperation, this achievement wouldn’t have been a reality.
