### CERTIFICATE

This is to certify that the thesis entitled "Tissue culture studies for exploitation of secondary metabolites in Neem (*Azadirachta indica* A. Juss.)" is an authentic record of work carried out by Smt. Vidhu Sankar Babu under my supervision in the Department of Botany, University of Kerala during the period from 25-03-2000 to 7-11-2005. I further certify that no part of this work has formed the basis for the award to the candidate of any Degree or Diploma or other similar titles of this or any other University or Society.

Kariavattom,  
16 November 2005

  
(G. M. Nair)

## **DECLARATION**

I do hereby declare that this thesis entitled **"Tissue culture studies for exploitation of secondary metabolites in Neem (*Azadirachta indica* A. Juss.)"** is a record of independent research work carried out by me in the Department of Botany, University of Kerala and no part of this has previously formed the basis for the award to me any Degree, Diploma, Associateship, Fellowship or other similar titles of this or any other University or Society.
