ACKNOWLEDGEMENTS

I am extremely grateful to Prof. Dr. A.N. Namboodiri, Professor of Botany, University of Kerala and Director, Tropical Botanic Garden and Research Institute and to Dr. A.O.N. Panikkar, Deputy Director, Botany Division, Rubber Research Institute of India, for their valuable guidance and constant encouragement throughout the course of this investigation. I extend my deep sense of gratitude to Dr. M.R. Sethuraj, Director, Rubber Research Institute of India for providing me necessary facilities and valuable advice. I am indebted to Prof. C.A. Ninan, former Head of the Department of Botany, Prof. P.M. Mathew, Professor and Head of the Department of Botany, University of Kerala, to Dr. P.K.K. Nair, Emeritus Scientist, National Botanical Research Institute, Lucknow, to Prof. V. Gopinathan Nair, Professor of Plant Breeding, College of Agriculture, Trivandrum and to Dr. K.C. George, Professor and Head of Statistics, College of Veterinary and Animal Science, Kerala Agricultural University for their valuable suggestions and timely encouragements.

I am also thankful to Dr. N. Omanakumari, Lecturer, University of Kerala for her sincere help.
My thanks are due to Shri George Mathew and Smt. K.P. Leelamma for technical assistance, to Shri K.P. Sreerenganathan and Shri A. Krishnankutty Nair for photographic work, to Shri P.V. Vijayappan for line drawings and Shri R. Babu for typing the manuscript.

I am happy to extend my sincere thanks to all the staff members of the RRIL Library for their help. Thanks are also due to all my colleagues in the Botany Division for their co-operation. The valuable assistance provided by the field staff and other staff members in the Botany Division is gratefully appreciated.

Last but not the least I express my greatfulness and deep sense of obligation to all my family members, especially to my husband Shri C.R. Nehru, brother Prof. K.R. Hariharan, sons, N. Abhilash and N. Rajiv for their constant encouragement and inspiration.

C.K. SARASWATHY AMMA
