TO WHOM I OWE...

- Much beyond the measure of words to my Supervisor Professor Sivatosh Mookerjee, FNA for introducing me to this uniquely adorable system of hydra and for his constructive criticism and inspiring guidance althrough.

- To Professor G.S. Singhal, Dean, and Professor Asis Datta, Ex-Dean, School of Life Sciences, for providing the necessary laboratory facilities.

- To my friends and colleagues, Neelkamal, Balram, Asangla, Inam, Gurcharan, Rajni for creating a helpful atmosphere throughout the period of this work.

- To Dr. G. Jayaraman for going through the manuscript critically.

- To Mr. A.C. Alexander and Mr. Ahmad for providing technical help whenever required.

- To Mr. K.C. Lohat and Mr. Naqvi for laboratory assistance.

- To Mr. Saini and Parveen Nangia for excellent support of photographic and artistic work.

- To Mr. Ram Prasad and Mr. Gajanan for typing the manuscript.

- To all the members of my family for their understanding and encouraging attitude throughout the period of staying out of home at J.N.U.

- And lastly, to Umesh for his unhesitating and constant help in everything.

PRATIMA NANGIA
