ACKNOWLEDGEMENT

I wish to express my sincere and deepest gratitude to my supervisor Dr. (Miss) Kamal Singh, Professor and Head, Department of Physics, Nagpur University, Nagpur under whose brilliant, untiring and excellent guidance, I could complete this presented work successfully. Her meticulous attention and invaluable suggestions helped me in simplifying the problem involved in presented work. I shall ever remain grateful to her for having inculcated in me the spirit of hardwork.

I am thankful to Dr. S. S. Bhoga, Reader, Deptt. of Physics, Nagpur University, Nagpur, for his constant encouragement, valuable suggestions and kind co-operation in all phases of this work.

I express my deepest gratitude to Dr. D. R. Shekhawat, Secretary, Vidya Bharti Shaikshanik Mandal, Amravati and Mrs. Pratibhatai Patil, President, Vidya Bharti Shaikshnik Mandal, Amravati and Ex-deputy Speaker of Rajyasabha, Dr. K. N. Patil, Principal, Vidya Bharti Mahavidyalaya, Amravati, who granted me a study leave to carryout research under IXth plan period of UGC. WRO, Pune. I am very much thankful to UGC, WRO Pune (India) for awarding the teacher fellowship under IXth plan period of F.D.P.

I am thankful to Prof. B. H. Pawar, Head, Deptt. of Physics, Amravati University, Amravati, and other faculty members of this Deptt. for providing me the necessary facilities to carryout this work.

My sincere thanks are due to Mr. S. P. Singh, Ex-Head, Deptt. of Physics, Hislop College, Nagpur, Dr. P. D. Petkar, Head, Deptt. of Physics, Vidya Bharti Mahavidyalaya, Amravati. Dr. F. C. Raghuwanshi, Chairman, BOS of Physics, Amravati University, Amravati, Dr. N.G. Belsare, Dr. S. G. Bhadange, Dr. P. V. Saodekar.
I am very much indebted to my departmental colleagues Mr. R. V. Waghmare, Mr. T. S. Wasnik, Mr. B. D. Bundele, Mr. N. B. Raut for inspiring me from time to time during the tenure of this work. I am also thankful to Department of Physics, Nagpur University, Nagpur, for permitting me to carry my research work.

It is great pleasure to acknowledge co-operation extended to me specially by Mr. Ajay Lad, Mr. Prashant Ambekar, Mr. Sudhakar Bansod and my other colleagues Miss. Jasmeer Randhwa, Mr. Pravin Khadakkar, Mr. D. V. Atkare, Mrs. S. Acharya, Mr. Rajan Tiwari, Mr. P. D. Borkar and Mr. D. B. Thombre

I am thankful to Director and Dr. N. P. Lalla, Section in-charge of x-ray laboratory, IUC, Indore for providing the high temperature XRD facility.

I shall remain indebted to my mother Late Sau. Kusumta Joat, she was an instant source of inspiration and supported me in the movement of stress and weariness. I am thankful to my father Mr. Vasantrao Joat, father-in-law Adv. Vishnupant Borde, sister Sau. Jaishree and brother-in-law Mr. D. M. Dhongdi.

I must also mention the name of my wife Sau. Vandana, daughter Ku. Rasika and Master Rohit for allowing me to work in spite of often robbed of time. I thank them and my other family members for their patience and encouragement.

I am thankful to all those again for sharing their expertise and extending their support directly or indirectly that helped me to bring this work to present shape.

(R. V. JOAT)
