ACKNOWLEDGEMENT

I wish to record my deep sense of gratitude to Dr. D. N. Sen Scientist, National Chemical Laboratory, for his inspiring guidance.

I am grateful to Drs. P. M. Nair, G. G. Das, C. I. Jose and U. V. Upadhyaya, for helpful discussions. My thanks are due to Miss L. Shirole, Miss N. B. Parkhi at Messrs. S. M. Baba, I. S. Mulla and T. Fairwell for help in recording ultraviolet, visible, infrared and proton magnetic resonance spectra. Help rendered by the microanalytical section is gratefully acknowledged. My thanks are also due to my colleagues, Messrs. U. N. Kantak, P. Umamaheshwar, A. M. Rangadekar, A. S. Sabul and A. Narayanan for generous co-operation.

I thank the Director, National Chemical Laboratory, for permission to submit this work for the Ph.D. degree.

N. Thankarajan

National Chemical Laboratory,
Poonah-8.
