

LIST OF TABLES

Table No.	Title	Page No.
2.1	Computerisation in Rural Development undertaken by Indian government	62
2.2	Kerala at a glance	64
2.3	Status summary of Computerisation projects in Kerala	70
2.4	Software development by IKM	93
2.5	Village clusters of PURA in Kerala	103
4.1	District wise distribution of the sample	154
4.2	Category wise distribution of the sample	155
4.3	Gender wise distribution of respondents	155
5.1	Awareness regarding Rural Development programmes	162
5.2	Gender wise analysis- Awareness regarding Rural Development programmes	163
5.3	The concept of Rural Development programmes	164
5.4	Beneficiaries of Rural Development programmes	165
5.5	Gender wise analysis- Beneficiaries of Rural Development programmes	166
5.6	Benefited areas of Rural Development programmes	167
5.7	Reasons for not availing services	169
5.8	Awareness on the concept of information and communication technology	170
5.9	Gender wise analysis- Awareness on the concept of information and communication technology	171
5.10	Understanding of the term information and communication technology	172
5.11	Perception on applicability of Information and Communication Technology for Rural Development	173
5.12	Gender wise analysis- Perception on applicability of Information and Communication Technology for Rural Development	174
5.13	Benefits attained on the behalf of Information and Communication Technology for Rural Development	175
5.14	Source of daily information	177
5.15	Gender wise analysis- Source of daily information	179
5.16	Source for particular information	179

5.17	Gender wise analysis- Source for particular information	180
5.18	Major sources of information	181
5.19	Visit to library	182
5.20	Gender wise analysis- Visit to library	184
5.21	Materials preferring for reading	184
5.22	Gender wise analysis- Materials preferring for reading	186
5.23	Satisfaction level on library materials	187
5.24	Gender wise analysis- Satisfaction level on library materials	188
5.25	Need for a current information	189
5.26	Gender wise analysis- Need for a current information	189
5.27	Need for retrospective information	190
5.28	Information source for getting your area of working	191
5.29	Areas having difficulties in acquiring information	192
5.30	Awareness on various schemes for education	193
5.31	Desired information from community information centre	195
5.32	Opinion on the necessity of community information centre	197
5.33	location preferred for community information centre	198
5.34	Computer with internet facility in community information centre	200
5.35	Processing computer at home	202
5.36	Gender wise analysis- Processing computer at home	202
5.37	Basic knowledge on computer operations	203
5.38	District wise analysis- Basic knowledge on computer operations	204
5.39	Gender wise analysis- Basic knowledge on computer operations	205
5.40	Difficulty faced due to computer illiteracy	206
5.41	Gender wise analysis- Difficulty faced due to computer illiteracy	207
5.42	Perception on the high job opportunity for the computer literates	208
5.43	Gender wise analysis- Perception on the high job opportunity for the computer literates	209
5.44	Computer training methods	210
5.45	Purpose of computer utility	211
5.46	Advantages due to Computer knowledge	213
5.47	Visit of internet café	214
5.48	Gender wise analysis- Visit of internet café	215

5.49	Changes happened in the lifestyle due to new technologies	216
5.50	Gender wise analysis- Changes happened in the lifestyle due to new technologies	217
5.51	Advantages of Information and Communication Technology in the routine works	218
5.52	Visit of Akshaya e-kendras	221
5.53	Gender wise analysis- Visit of Akshaya e-kendras	222
5.54	Purpose of visiting Akshaya e-kendras	223
5.55	District wise analysis- computer literacy through Akshaya	225
5.56	Category wise analysis- computer literacy through Akshaya	226
5.57	Gender wise analysis- computer literacy through Akshaya	228
5.58	Satisfaction on the training programmes of Akshaya	229
5.59	Category wise analysis- Satisfaction on the training programmes of Akshaya	229
5.60	Gender wise analysis- Satisfaction on the training programmes of Akshaya	231
5.61	Satisfaction on the services of Akshaya	232
5.62	Category wise analysis-Perception on the penetration of Akshaya to the common people	233
5.63	District wise analysis- Perception on the penetration of Akshaya to the common people	234
5.64	Rural Development for employment	236
5.65	Beneficiaries of rural employment programmes	237
5.66	Nature of work place	237
5.67	Computerization of work place	238
5.68	Computer training from work place	239
5.69	Incorporation of ICT in curriculum	240
5.70	Visit and utilization of educational portal of Kerala govt.	241
5.71	Necessity of computer training	243
5.72	Difficulties of students for effective utilization	244
5.73	CD collection in school library	245
5.74	Utility of CD available in school libraries	246
5.75	Availability of computer labs	247
5.76	Internet utility for study purpose	248
5.77	Use of multimedia	248
5.78	Effectiveness of audio-visual aids for education	249
5.79	Rural Development programmes for women welfare	250
5.80	Beneficiaries of women welfare programmes	251

5.81	Membership in kudumbasree	252
5.82	Membership in Women empowerment organisations	253
5.83	Computer training through Rural Development programmes	253
5.84	Beneficiaries of agricultural oriented Rural Development programmes	254
5.85	Watching agricultural television programmes	255
5.86	Visit of agricultural portals	255
5.87	Benefit from agro clinics	256
5.88	ICT infrastructure	258
5.89	Availability of computers	260
5.90	Purpose of computer utility	261
5.91	Computer availability and its utility in panchayat offices	262
5.92	Administrative works doing with computers	263
5.93	Purpose of computer utility and its role in administrative works	264
5.94	Availability of technical staff	265
5.95	Convenience available through e-governance	266
5.96	Convenience available by ICT application for governance	267
5.97	Internet facilities in panchayat offices	269
5.98	Software installation in panchayat offices	271
5.99	Convenience available through software	273
5.100	Computer training to the secretaries and training programme to the public	276
5.101	Computer training to the secretaries and training programme to other professionals in the office	278
5.102	Barriers of ICT application in governance	279
5.103	ICT initiatives	281
5.104	Primary occupation	282
5.105	Primary occupation and utilization of ICT oriented developments	283
5.106	Availability of public libraries in the panchayats	285
5.107	Role of public libraries as community information centres	286
5.108	Success of Akshaya centres in the panchayats	289
