

## ACKNOWLEDGEMENTS

Very rarely does a student find the right track to work on for his doctoral work. I owe my gratitude to Prof. M.G.Takwale for paving the right path for me. Prof. V.G.Bhide by his timely suggestions made my work more valuable in the vast sector of science.

Dr. R.S.Pawar, my able senior pioneered this work, which I have carried a step further. His guidance in my theoretical formulations and creative contribution cannot be quantified. I shall forever remain indebted to him.

My colleagues Mr. D.Chatterjee and Mr. Devendra Goyal's role in my tenure as a research student cannot be expressed in words. Their contribution not only to my doctoral dissertation but also to me as a person is immense. I owe my deep sense of gratitude to them.

Dr. C.M.Agashe's minute observation capabilities and full proof scientific outlook has been very fruitful for my work. Her suggestions has helped me to bring this piece of work in the present form.

My colleague Dr. R.O.Dusane, Dr.S.V.Rajarshi, Dr.S.R.Dusane, Dr.S.M.Rozati, Dr.M.Faraji, Dr.C.K.Thete, Mr.S.Mirzapour and Miss S.Pethkar are responsible for creating a pleasant working atmosphere resulting in better efficiency. I owe my thanks to one and all of them.

My field knowledge I owe to the staff of Draksha Bagaitdar Sangh at Ojhar, Sangli and M/s Weikfield India Ltd. My work would have been incomplete without their co-operation. Names are many to quote but I shall fail in my duties if I do not mention Mr.

Gopi's assistance in my work. He shall always remain my friend.

The artistic manoeuvre in this thesis is primarily due to Mr. Mohan Jondhale. Mrs. Bale is responsible for the timely typesetting of this thesis. I owe my thanks to them.

I owe my gratitude to Prof. G.S.Tasgaonkar and Mr. Dhanani for their support and encouragement through my tenure in this Department.

I thank DNES and Emjay alloys Pvt. Ltd. for providing the all important financial assistance through my work.

Last but not the least I owe my unstinted gratitude to my parents, brother, Aunt, my cousins and the loving Deshpande family. Any amount of gratefulness or otherwise cannot explain their invaluable contribution. They gave me a home, a sweet home through all the thick and thin of my past career.
