

LIST OF TABLES

S. No.	TABLE No.	TITLE	PAGE No.
1.	1.1	Major types of cement	4
2.	1.2	Limestone deposits in India	17
3.	1.3	Retention price admissible to cement industry from 1961 to 1981	25
4.	1.4	Uniform pricing system for levy cement after partial decontrol	28
5.	1.5	Growth of cement industry through plans	31
6.	1.6	Excise revenue information	36
7.	1.7	Trends in the growth of installed capacity	54
8.	1.8	Installed capacity - companywise / unitwise	56
9.	1.9	Installed capacity - processwise	64
10.	1.10	Installed capacity - region / statewise	66
11.	1.11	Clusterwise installed capacity	68
12.	1.12	Capacity utilisation of the industry	70
13.	1.13	World cement production	72
14.	1.14	Trends in varietywise cement production	74
15.	1.15	Regionwise cement production	76
16.	1.16	Statewise cement production	80
17.	1.17	Consumers of cement	85
18.	1.18	Per capita cement consumption in India	87
19.	1.19	Regionwise cement consumption	88
20.	1.20	Statewise cement consumption	92
21.	1.21	Cement / Clinker exports from India	101
22.	1.22	Additional employment generation	120
23.	4.1	Andhra Pradesh major cement plants-Annual capacity	189
24.	4.2	Installed capacity and capacity utilisation	191
25.	4.3	Cement production of major plants in A.P.	193
26.	4.4	Cement consumption in Andhra Pradesh	196
27.	4.5	Supplies to Andhra Pradesh	198
28.	4.6	Supplies from Andhra Pradesh	201
29.	4.7	Performance of Raasi Cement Limited	206
30.	4.8	Performance of Madras Cements Limited	212
31.	4.9	Performance of K.C.P. Limited	217
32.	4.10	Andhra Pradesh mini-cement plants-Annual capacity	221
33.	4.11	Installed capacity and capacity utilisation of mini-cement plants in A.P.	223

34.	4.12	Cement production of mini plants in A.P.	225
35.	4.13	Cement despatches of mini-cement plants in A.P.	227
36.	4.14	Performance of Sagar Cements Limited	229
37.	4.15	Performance of Sri Chakra Cements Limited	232
38.	4.16	Performance of Hemadri Cements Limited	235
39.	4.17	Per capita consumption of Andhra Pradesh	238
40.	4.18	Exports from Andhra Pradesh	241
41.	5.1	The A.P. cement industry's average cost of production per tonne	246
42.	5.2	Increase in cost of major cement inputs from March 1982 to March 1998	249
43.	5.3	Raasi Cement Ltd.-cement cost of production per tonne	258
44.	5.4	Madras Cements Ltd. - cement cost of production per tonne	260
45.	5.5	KCP Limited - cement cost of production per tonne	261
46.	5.6	Sagar Cements Ltd. - cement cost of production per tonne	263
47.	5.7	Sri Chakra Cements Ltd. - cement cost of production per tonne	265
48.	5.8	Hemadri Cements Ltd. - cement cost of production per tonne	267
49.	5.9	Select major cement plants-their products and brand names	272
50.	5.10	Select mini-cement plants-their products and brand names	274
51.	6.1	Housing shortage in India	286
52.	6.2	Cement / Clinker export prospects of the Indian Cement Industry	297
53.	6.3	Demand forecast for the period of 1997-98 to 2001-02	300
54.	6.4	Regionwise estimated demand for IX Plan period	301
55.	6.5	Estimated demand of Andhra Pradesh cement industry	303
56.	6.6	Sales forecast of Raasi Cement Limited	304
57.	6.7	Sales forecast of Madras Cements Limited	305
58.	6.8	Sales forecast of KCP Limited	306
59.	6.9	Sales forecast of Sagar Cements Limited	307
60.	6.10	Sales forecast of Sri Chakra Cements Limited	308
61.	6.11	Sales forecast of Hemadri Cements Limited	309
