Acknowledgements

It gives me an immense pleasure to express my heart-felt gratitude and deep felt devotion to my venerable teacher and Research Supervisor Prof. G. Rama Gopal, for his meticulous guidance, constant encouragement, affective care inspiring discussions and valuable suggestions to complete this work with confidence. I will ever remain grateful to him for his timely guidance, wise counsel and unfailing attention.

It gives great pleasure to express my deep sense of gratitude and indebtedness to Prof. D. Gunashekar, Department of Chemistry, S.V. University, Tirupati for introducing me in to fascinating area of Natural products chemistry; for his expert as well as thought provoking discussion during my Phytochemistry work. No words will adequately express my indebtedness and I will ever remain grateful to him. I am equally indebted to Prof. D. Jamuna, Dept. of Psychology for her constant encouragement.

It is with pleasure that I record here my deep sense of gratitude to present Head; Prof. N. Yasodamma, Prof. G. Rajendrudu, Prof. A. Sreeramulu, and Former Heads Prof. G. Sudarsanam, Prof. N. Savithramma (BOS, Chairman). I also extend my sincere thank to Dr. JSR Murthy, Dr. T. Vijaya, Dr. K. Madhava Chetty, Dr. M. Nagalakshmi Devamma, Dr. M. Santosh Kumar and Dr. Kamakshamamma for providing necessary facilities required for the present investigation.

It gives me immense pleasure to express my deep sense of reverence and gratitude to Prof. P. Sreenivasulu for sparing the equipment and glassware to fulfill my research work.

With deep sense of gratitude I express my sincere thanks to S.N. Nigam, Scientist, JCRISA., and I also extend my sincere thanks to Scientists of RARS, Tirupati., Dr. Raja Reddy (D.R), Dr. R.P. Vasanthi, Dr. O.Venkateswarlu, Dr. Prathima, Dr. Muralikrishna, Dr. Bhaskara Reddy, Dr. Sudhakar, Dr. Prasanthi and Dr. Prasad.
I would like to convey a sincere and heartfelt thank to G.C. Reddaih Rtd. A.S.P., Dr. M. Subbarao Rao, Scientist., Dr. P. Murali Krishna, SVIMS., and P. Venu Gopal, Advocate, for their moral support and ever-ready-to-help attitude.

I am fortunate enough to have highly cooperative lab mates Usha Naga Lakshimi, Padmavathi ML, B. Subramanyam P., Swapna B., Padma, David and Saradwathy whose constant help and moral support facilitated to finish this task. I especially thanks to Muni kishore, Suresh, Sankar, Ram Mohan for their help and support in Phytochemistry work. I take this opportunity to express my gratitude to my seniors Dr. Md. Arifulla and Dr. Kishore Kumar Ch and Dr. Gayathri D., whose research works and training set discipline and scientific tempo in juniors and created most congenial atmosphere in the lab for conducting true research work.

I express my sincere thanks to my friends Dr. K. Ramesh Babu, Mr. K.P. Srinivas, Dr. B. Ramesh, Dr. Sudheer, Siva Prasad, Nabi, Naresh, Dr. Sainath, Dr. Hari Prasad, Navya and Ismail for their support and company during my research period.

Credit goes to DST- PURSE, Government of India, for extending financial assistance by providing Research Fellowship, which helped me to pursue my goal with diligence.

I express my indebtedness to my parents B. Ramudu and Smt Ayyamma whose long cherished desire to see me in higher qualification, had become a source of motivation for me to finish the work. I take this opportunity to express my sincere love and affection to my family members especially my Sisters B. Parvathi and Anuradha my most beloved Brother in laws Ravi Teja, Surya Teja, Pavan and Girish Kumar, whose continuous cooperation and constant motivation are beyond my expression

I wish to express my sincere thanks to non-teaching staff of the Department for their timely help and also express my warm appreciation to Mr. Raju for his elite photography.
