Acknowledgements

First of all I would like to place on record my everlasting gratitude to my former supervisor, Prof. Shashikant Jha, who has bow the seeds of inspiration to pursue an academic carrier and under whom I completed my M. Phil dissertation and let the Ph D. Synopsis got passed. But when I was nowhere for sometime due to the division of our centre and need of little inspiration to get going I found Dr. Arun Mohanty, a loving and caring person as my supervisor, who gave me enough opportunity to work independently and extended invaluable guidance in planning the scheme of this work. I am short of appropriate words to express my gratitude to him. I greatly also value the help rendered by Prof. Tulsi Ram (Chairperson of the Center), Prof. Ajay Patnaik, Prof. Amuradha M. Chenoy, and other teachers of the centre for their cooperation and suggestions at various stages of my research work.

I am also grateful for the facilities I received from the library of J.N.U., Institute of Defense Studies and Analysis (IDSA), Teen Murti (Nehru Memorial Library), Indian Council of Social Science Research (ICSSR), American library (New Delhi), and Ukrainian Embassy (New Delhi). I am thankful to the librarian and staff of the above libraries who greatly helped me during the course of my visit.

I am greatly indebted to University Grant Commission, Government of Orissa and Family Federation for World Peace and Unification for their financial aid during the course of my study of the last six years.

I am extremely grateful to my parents and other family members for helping me in every possible way and for bearing my long absence from home.

A special word of appreciation to my friends- Sujit, Bhoopendra, Prasanta, Shivam, N. Mohandas, Vinay, Pramod and Sunita for their cooperation they extended to me to complete this work. Lastly, I owe my special thanks to Arpan Photostat who undertook the task of typing the bulk of the manuscript.
