I sincerely express my deep sense of gratitude to my research-guide Dr. G.U.Thite, for his guidance and help in writing this thesis. From the beginning to the point of my submission he has taken keen interest in not only suggesting the topic but also by giving the final shape to this thesis. I am deeply indebted to him.

I am grateful to Prof. Dr. S.D.Joshi, Director of the Centre of Advanced Study in Sanskrit, University of Poona, for his kindness in providing me with the Junior Fellowship (UGC) without which I could not have completed this work.

I would like to thank the academic staff of the Centre of Advanced Study in Sanskrit (CASS) and the Department of Sanskrit and Prakrit Languages, University of Poona, who have extended their ready help to me at my need. I am also thankful to the Library staff of CASS, Jayakar Library, Bhandarkar Oriental Research Institute and Deccan College.

I thank Dr. Siniruddha Dash and other friends who have helped me in many ways.
