I would like to express my deep sense of gratitude to my research guide Dr. G.N. Shendge, leader in Mathematics, Department of Mathematics and Statistics, Marathwada University, Aurangabad, for his valuable guidance with this thesis and his guidance of my mathematical maturity. The ability to continue to develop my mathematical insight and the motivation he provided are invaluable assets that I will take with me.

I am immensely grateful to Dr. D.Y. Kesture, leader in Applied Mathematics of this Department, for his constant encouragement throughout the studies for the thesis. I am thankful to Dr. S.V. Joshi and Shri J.H. Deshpande for several fruitful discussions.

I would like to thank Dr. B.G. Pachpatte, Professor and Head, Department of Mathematics and Statistics, Marathwada University, for providing me the library and other necessary facilities.

I take this opportunity to thank Principal G.A. Sikchi and Vice-Principal Dr. K.S. Bharuka of my College for their encouragement and for extending valuable cooperation during this work.

The lively company of Shri R.P. Shastri, Shri D.B. Dhaigude, Dr. S.K. Nimbhorkar and Shri Mohd. Ijazuddin Hussain made my stay, during the period of this work, comfortable. I thank them all.

Lastly my thanks are due to Shri M.M. Deshmukh for his very efficient typing of the thesis and Shri S.M. Koturwar for constant secretarial assistance in the Department.
