

ACKNOWLEDGEMENT

First and foremost, I would like to acknowledge Shri. **V.R. Venkataachalam**, Chancellor, Sri Ramachandra University for providing me the opportunity to work at this prestigious institution and for permitting me to pursue my part time PhD at Department of Microbiology, SRMC & RI.

I pay my deepest gratitude to my guide **Prof. Dr. Padma Srikanth**, Dept. of Microbiology, Sri Ramachandra University (SRU), for providing such an excellent opportunity to work under her supervision and accepting me as her PhD student. Her invaluable guidance, support, positive criticism, made me learn novel aspects of research. She moulded me in the right way and has always encouraged me in my work. She is the person who inculcate the value and need for research in me which made me to complete this work.

I am grateful to my co-guide **Dr. Gunasekaran**, Director, King Institute of Preventive Medicine and Research, Guindy, Chennai for his useful suggestions, for participating in all our RAC meetings amidst of his busy schedule and for his support throughout the study.

I express my respectful gratitude to my research advisor **Dr.J. Damodharan**, Professor & Head (Retd.), Dept. of General Medicine, Sri Ramachandra University and Professor of Medicine, Associate Dean Education and Medical Services, Saveetha University, Chennai for his motivational support at right times and valuable suggestions throughout the study.

I am indebted to Dr. **K. Muthumani** Assistant Professor, The Wistar Institute, Philadelphia, USA for his enriched ideas and has been a moral support to complete the study.

I express my sincere gratitude to **Dr. K.V. Somasundaram**, Dean of Faculties and **Dr. Vijayalakshmi Thanasekaran**, Controller of Examinations, SRU for their encouragement and support.

I sincerely thank **Dr. Thomas Mathew** Principal, Trivandrum Medical College for his guidance and support for sample collection in Kerala during the outbreak of chikungunya.

It gives me immense pleasure to thank **Dr. Anupma Jyoti Kindo**, Professor and Head of Microbiology, SRU for her motivational support extended to my research work.

I wish to express my sincere thanks to **Prof.Dr.Uma Sekar**, Department of Microbiology, SRMC & RI and Director, Sri Ramachandra laboratory services for giving me all administrative support during this period.

I sincerely thank **Dr. M. Mallika**, Former Head & Professor of Microbiology and **Dr.J. Kalyani** Former Professor of Microbiology, SRMC & RI for their support in the my study.

I sincerely thank **Mr.N.Natarajan**, Registrar, **Mr.Chandrasekar**, Deputy Registrar, **Mr. T.S.Thyagarajan**, Deputy Registrar (Examinations), and administrative staff, SRU, for their constant support in directing the process of the research work.

A sincere gratitude to **Dr.G.Sridharan** Consultant, Sri Narayani Medical and Research center, Sri Puram and **Dr.Rajesh Kannangai**, Professor and Head, Dept. of Virology, Christian Medical College, Vellore. Both spent their precious time in discussing my work and share their experiences in research.

I express my sincere thanks to **Dr.Santu Ghosh**, and **Dr.Thangavel**, EHE Department, SRU, for their guidance and support in the process of statistical analysis.

I would like to thank all the faculties in the Department of Microbiology **Dr. Anbumani N, Dr.Sridharan S K, Dr. Kennedy Kumar P, Dr.Shanthi M, Dr.Shamshad Begum E, Dr.Senita Samuel, Dr.Swati Kumari, Ms. Ilakiya and Mr.Sivasubramanian** for their support and encouragement.

Special word of thanks to my team members and colleagues **Mrs.D.Ramya, Mrs.M.Monika, Mrs.B.Seshapoornima, Dr.Seema Nayar, Mrs.R.Sudha Bharathi, Dr.R.V.Vigna Seshan, Dr.S.Sribal and Ms.J.Evangeline** for their ever-helping attitude and care in every possible way. All their timely help and encouragement, healthy discussions, unconditional assistance and support helped me in all my endeavors and the work would have not get completed without their support and encouragement.

It takes immense pleasure to thank **Dr.Nalini Ramamurthy** Former, Virologist, SEARO, New Delhi and Former Director, King Institute of Preventive medicine for giving me the opportunity to start my career in Virology.

I am immensely grateful to **Dr.Varalakshmi Elango**, a Freelance Consultant, for tropical diseases research unity of WHO and Drugs for neglected diseases initiative (DNDi), for giving me the opportunity to work at different domains of virology laboratory at KIPM and for being an inspirational personality for me and for her motivational words.

My sincere thanks to **Dr.Kaveri**, Deputy Director and Head, Dept. of Virology, King Institute of Preventive medicine and Research, Guindy, Chennai -32 for permitting to perform certain experiments in their laboratory.

A special mention must go to **Dr.C.C.Harish**, **Dr.A.Khaleefathullah Sheriff** and **Dr.D.Raja** for their timely help, encouragement, healthy discussions, in all my endeavours.

I express my sincere gratitude to **Dr.S.Sivasubramanian**, Scientist, King Institute of Preventive Medicine, Chennai for his valuable criticism to complete my thesis.

I thank **Dr.S.Sathish**, Associate Professor and Scientist, Sri Narayani Medical and research center and **Mrs.S.Gracy fathima**, **Mr.V.Senthilkumar**, **Mr.K.Saravanamurali** and **Mr.M.Saran** King Institute of Preventive Medicine University for spending their valuable time and support to complete the study.

I would also like to mention the names of the all technical staff members and non-technical staff members Mr. Vishwanathan, Mr. Sivaraman N, Mrs. Madhavi, Mr. Kumaran, Mr. Santhosh and Mr. Munirathnam and for their untiring efforts to make things easy to work in the lab.

I am indebted to my sisters, mother in law and father in law and well-wishers without whom it would not have been possible to complete this thesis work.

I take this opportunity thank all my friends who involved directly and indirectly for my growth. Some of them are with me in all the events of life and are ready to support me with whatever they can.

Above all, I thank my wife **Dr.N. Bharathi** for her motivational and moral support and it would not be possible without her since she shared many of my responsibilities. I thank my son Master **G.B. Ajayvharmann** for understanding my situation and allowed me to do research work at home and for being my relaxation during my most stressful times.

I bow my gratitude to the almighty for granting this beautiful life as a human being and an opportunity to live among people who have been always supportive in each stage of life and for giving me the strength for the successful completion of the work.

Finally, I owe to my mother **Mrs.S. Jayalakshmi** for giving me this wonderful life as a lone person. Words cannot express my gratitude and indebtedness to my mother.
