ACKNOWLEDGEMENT

I am most deeply indebted to Dr (Mrs) J.D. Sharma for her guidance, constructive suggestions, and remained a source of inspiration during my course of this investigation.

It is overlong owefulness, I wish to render my thanks to Prof (Mrs.) Anjali Mookerjee, Dean, School of Environmental Sciences, Jawaharlal Nehru University, New Delhi, for providing facilities and cooperation. I must also express my deepest gratitude to Prof. H.K. Das for providing needful help and laboratory facilities.

I would also like to express my gratefulness to Prof. J.M. Dave for his kind help and encouragement. I express deep appreciation to Prof. B. Bhatia for the enthusiastic cooperation. My deepest thanks to Prof. Sivatosh Mookerjee, School of Life Sciences, for his useful suggestions. I am also grateful to Prof. G.S. Singhal and Dr (Mrs) K. Datta for their help in Spectrofluorometric determinations.

I particularly express a debt of gratitude to Dr. Debdutta Roy who not only went through the manuscripts critically but also spared his valuable time in patiently proof-reading. I am very much thankful
to Mr. D.N. Pathak and my younger brother Himanshu for their help and encouragement.

I wish to extend thanks to Dr. U. Kumar, Mohan Jha, Narsaih, Indranil, A. Reddy, Jaya Laxmi, S.K. Rao, Santosh Kumar, H.K. Jha, Rajiv Kr. Jha, Shankar and other friends.

Thanks are due to the staff of School of Environmental Sciences for their cooperation. In addition I am highly thankful to Saini, Dipanker and Chinmoy for photographs and line diagrams. My heartist thanks to Mr. Gajanan Hegde for his expert typing.

It is beyond words to express my sentiments and thankfulness to my family members for their contribution towards making me what I am to-day. But above all, I am deeply indebted to my wife, who has helped me with perseverance and patience throughout this work - she is an everlasting source of encouragement.

Finally, I am grateful to Indian Council of Medical Research and Jawaharlal Nehru University for providing me financial assistance.

INDU SHEKHAR THAKUR.
