II.4  Epicarp in surface view 129
II.5  Endosperm 129
II.6  Gum resin 129
II.7  Peak profile of X-ray analysis of Cassia tora + Commiphora mukul compound 138
II.8 & 9  Peak profiles of X-ray analysis of Cassia tora 141,142

IV.1  Distribution of patients according to age 159
IV.2  Distribution of patients according to sex 160
IV.3  Effect of treatment on morning stiffness 173
IV.4  Effect of treatment on pain on rest 174
IV.5  Effect of treatment on pain on motion 175
IV.6  Effect of treatment on swelling of joints 176
IV.7  Effect of treatment on tenderness 177
IV.8  Effect of treatment on reduced muscle power 178
IV.9  Effect of treatment on restriction of joint movement 179
IV.10  Effect of treatment on subcutaneous nodules 180
IV.11  Effect of treatment on decreased functional status 181
IV.12  Effect of treatment on fever 182
IV.13  Effect of treatment on body weight 185
IV.14  Effect of treatment on haemoglobin 186
IV.15  Effect of treatment on ESR 187
IV.16(A) & IV.16(B)  Effect of treatment on rheumatoid factor 189
IV.17(A) & IV.17(B)  Classification of results of treatment 193

V.1  Flow chart showing possible pharmacological action of Cakramarda Guggulu compound 203

LIST OF PHOTOGRAPHS / RADIOGRAPHS

1.  Plant of Cakramarda (Cassia tora) from Jammu (J&K) 11
2.  Plant of Cakramarda (Cassia tora) from Pune (Maharashtra) 11
3.  Shrub of Guggulu (Commiphora mukul) 79
4.  Gum Guggulu oozing out of the cuts made on a branch 79
5. Deformities in hands of an advanced case of Āmavāta  114
6. Cakramarda pods  126
7. Cakramarda seeds  126
8. Guggulu gum resin  126
9. Cakramarda (seed powder), Guggulu (gum resin) and Cakramarda Guggulu compound  127
10. Cakramarda Guggulu compound (capsules) and Cakramarda seed powder (capsules)  128
11. TLC plate of Cakramarda Guggulu (254nm)  132
12. TLC plate of Cakramarda Guggulu (366nm)  132
13. TLC plate of Cakramarda Guggulu in daylight  132
14. TLC plate of Cakramarda (254nm)  133
15. TLC plate of Cakramarda (366nm)  133
16. TLC plate of Cakramarda in daylight  133
17. Philips power X-ray Diffractometer  135
18. Administration of trial drug extract orally to an animal  148
19. Measurement of the injected rat paw by UGO – Basile Plythesmometer  148
20(i) to 20(viii) Effect of treatment on swelling of joints  190
1 to 8 Radiographs showing effect of Cakramarda Guggulu compound on knee joints  191
