ACKNOWLEDGEMENTS

The present study was carried out under the supervision of Dr. K.B. Powar, Reader in Geology, University of Poona. I am deeply indebted to him for constant assistance and critical discussions at all stages of this work.

I am grateful to Prof. B.G. Deshpande, Head of the Department of Geology, University of Poona, for providing facilities and for constant encouragement and to Prof. G.W. Chip lonkar, Head of the Department of Geology and Palaeontology, Maharashtra Association for the Cultivation of Sciences, Poona, for critically reviewing the chapter on 'Siwaliks' and offering valuable suggestions.

My sincere thanks are due to Dr. G.G. Deshpande, Reader in Geology, University of Poona, for critical discussions, to Dr. S.N. Rajguru, Reader in Geology, Deccan College, Poona, for providing X-ray defraction data on the clay fraction of Siwalik rocks, to Shri A.V. Phadke, Lecturer in Geology, Poona University and Shri A.Y. Bhale, Junior Research Fellow, Poona University for discussions and assistance in the preparation of the manuscript and to other colleagues in the Department of Geology, Poona University for helping in various ways.

I am thankful to Shri B.M. Datar for untiring efforts in the preparation of the illustrations.
I am grateful to the Wadia Institute of Himalayan Geology for the award of a Junior Research Fellowship but for which it might not have been possible to undertake this study.

Poona.
December 28, 1974. (G. R. Soman)
