ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to my Guide, Respected Dr. D.D. Kachole for his generosity, kind consideration and constant encouragement which enhanced my confidence. He inspired me countineously.

In fact, it is not possible for me to express my sincere feelings towards my guide with the help of words.

I could carry out the present task successfully just because of this constant inspiration and able guidance.

My beloved wife Sow Madhumati Contineously motivated, & took a lot of pain in realising my goal. Perhaps I would have failed to complete the present study in the absence of her constant encouragement and co-operation.

Dr. Nilima Pande, Prof. at college of social work, Aurangabad, continuesly extended her kind co-operation during my research work, right from beginning. She helped me to over come so many difficulties which arose during the present study. I am very much thankful to her for her generous and
helpful approach towards me.

My colleagues & friends Mr. Gosavi & Mr. Dasarathe took a lot of pain for me. Both of them accompanied me when I visited some places and helped me in the important task of data collection. I am highly indebted to both of them. My friend Dr. Ram Baheti Prof. of social work at college of social work Aurangabad who also happens to be my teacher and colleague, constantly rendered valuable guidance and encouraged me. I express my sincere thanks to him.

My thanks are also due to my close friend Prof. Dhananjay Kamble, Who also happens to be my colleague when I was working with college of social work, Aurangabad, for his co-operation and encouragement. I am indebted to my respondents Viz. Tamasha & Sangitbadi artist from different groups, spread all over Maharashtra, for their kind co-operation. Inspite of their busy schedule they could spare considerably sufficient time for direct interview which made this study possible. I am very much indebted to them for their co-operation and hospitality. The present study would have never been possible without their kind co-operation.
I may not forgive myself if I fail to express my sincere thanks to Shri Mr. Sanjay Sarda, his friends for the pains they have taken in getting my thesis typed in a neat and attractive style. I wish sincere gratitude to them and Mr. Uday Bhalchandra Chaudhary & Mr. Hemant Bhalchandra Chaudhary & I am highly indebted to my colleagues Dr. Garimella, Shri Sridhar who have assisted me during this study.

The present study on the whole was a rewarding learning experience for me. It is hoped that it will help the general public to have a sincere & rational approach towards Tamasha & Sangitbari Artists.
