ACKNOWLEDGEMENTS

It gives me great pleasure to express my deep sense of gratitude to Dr. K. N. Ganesh for introducing me to the fascinating area of bioorganic chemistry. His receptive attitude, untiring enthusiasm and positive approach will always remain a source of inspiration.

My sincere thanks to Dr. (Mrs.) V. A. Kumar for valuable scientific discussions, suggestions and encouragement during the course of this work.

I would like to thank Dr. A. A. Natu and Mrs. A. D. Gunjal for their kind help and encouragement.

My special thanks to Moneesha and Vasant for helping me in various ways during the course of this work.

I am thankful to Prof. Oktuszek, Poland for MALDI-TOF mass spectra; Prof Balaram, I. I. Sc., Bangalore and Dr. Vairamani, I. I. C. T., Hyderabad for providing the FAB mass spectra.

My thanks are also due to Mrs. M. V. Mane and Mrs. S. S. Kunte for HPLC analysis; Mr. A. G. Samuel, Dr. G. J. Sanjayan, Mrs. U. D. Phalgune and Mr. V. T. Sathe for their help in recording the NMR spectra and the library staff for excellent facilities.

I am grateful to Drs. A. Gopalakrishna, D. A. Barawkar, R. R. Joshi, B. P. Gangamani, T. P. Prakash, M. Renil, K. G. Rajeev for their encouragement.

I take this opportunity to thank my colleagues, Ramesh, Pradeep, Vallabh, Meena, Leena, Anand, Nagamani, Praveen, Raman and Pallavi for helping me in various capacities throughout my work.

I am grateful to Aparna, Nagesh, Tripathi, Trushar, Bennur, Akhil, Uday, Vrinda, Sheshu, Siddarth, Mahesh, Sheetal and Bhushan, with whom I shared many delightful moments and who made my stay at NCL pleasant.

I thank Pawar, Bhumkar and Sunil for their help and cooperation.

I am indebted to my parents who have constantly encouraged me to excel and I am grateful to them for all their sacrifices.

Finally, I acknowledge CSIR for a research fellowship and thank the Director, NCL, for providing the necessary research facilities.
