ACKNOWLEDGEMENT

With a deep sense of gratitude, this researcher sincerely thanks the Lord Almighty God whose grace has given me the strength and courage to complete this study.

Heartfelt thanks are due to all the following:

- SNDT University for accepting my proposal and permitting me to undertake Ph.D. Nursing in the area of my interest.

- Late Dr. Naina Potdar (my initial research guide) for her support and encouragement, and for believing in me - her sad demise left a big impact on me and my study.

- Dr. Vedang Murthy (my final research guide) for his supportive interaction and constant encouragement.

- Dr. Rajiv Sarin (past Director) and Dr. Shubhada Chiplunkar (present Director), ACTREC, for permitting this study.

- Rahul Achrekar for his unconditional support - his presence motivated me and gave me strength to complete this study!

I owe special thanks to:

- Mrs. Alka Kalambi (former Principal) and Ms. Parul Kibliwala (present Principal) L. T. College of Nursing, for their valuable inputs and suggestions.

- Dr. Ratna Prakash, Dr. Mary Mathews, Dr. Prabha Dasila, Dr. Rani Shetty, Dr. Nancy Fernandes Periera, Dr. Swati Kambli, Mrs. Alka Kalambi, Mrs. Aleyamma Joykutty, Dr. Tapti Bhattacharya, Mrs. Meera Shenoy, Mr. Sunil Gwalani for content validity.

- All the participants of this study for their consent to be a part of this study and for enriching the study and my experience.
• Mr. Shyam Chavan for excellent illustrations and cartoons.

• Mrs. Mini Nair for assisting me in data collection.

• Mrs. Sadhana Kannan and Mrs. A. Padmavathi for help in statistical analysis.

• Mr. Satish Munnolli for helping me with the references and Endnote.

• Mrs. Meera Shenoy, Dr. Aparna Bagwe and Dr. Pradnya Kotwal for editing/proof reading.

• Mrs. Kusha Sanil and Mr. Lalit Badodekar for computer assistance.

• Mrs. A Joykutty, Dr. Rani Shetty, Dr. Nancy Fernandes Periera, Dr. Mary Mathews, Dr. Prabha Dasila for going through my drafts and nudging me in the right direction.

• Mrs. Anuradha Hole for translation and typing of the patient feedback tool.

Heaps of appreciation to all those not named here, who have directly or indirectly helped me from the beginning to the completion of this study

Last but not the least, I want to say a heartfelt ‘Thank You’ to my family, friends and colleagues (the list is long) without their whole hearted support and proactive help, this study would have remained just a dream!

Mrs. Meera S. Achrekar
