ACKNOWLEDGEMENT
ACKNOWLEDGEMENT

It is my privilege to take this opportunity to record my deep sense of gratitude and indebtedness to my mentor and supervising guide Dr. R. A. Pawar, M.Sc. Ph.D., Reader and Head, Department of Chemistry, Late Karmaveer Dr. P. R. Ghogrey, Science College, Dhule, for his inspiring guidance, in the problem, keen interest, critical supervision instructive criticism and constant encouragement during the course of my research. He was a constant source of skilful guidance unending confidence and inspiration to me. Words would be inadequate to express my innate and opulent gratitude to him. His devotion to the course of research, enthusiasm coupled with extreme patience and understanding will always be remembered. He took deep interest in the investigation and gave suggestions and ideas at every step of the work.

I am grateful to Principal B. M. Patil, S.S.V.P.S's Late Karmaveer Dr. P.R. Ghogrey Science College, Dhule, for allowing me to work at the research centre of Chemistry Department.

I express my sincere thanks to honourable Adv. Z.B. Patil, Chairman, Jai Hind Educational Trust, Dhule, Ex-Principal N.K. Patil, Principal Dr. K.B. Patil, Jai Hind College, Dhule, for their invaluable help and constant encouragement throughout the period of research work by allowing all the facilities.

With deep sense of regards I express my thanks to Professor S.F. Patil, Head, Department of Chemistry, University of Pune, Pune, for providing necessary laboratory facilities.

I feel pleasure in recording my deep sense of obligation to Professor M.S. Wadia and Professor R.S. Mall, Department of Chemistry, University of Pune, Pune for their unfailing interest during the course of investigation and Mr. A. A. Bijapure for their help in the preparation of the thesis.

My grateful acknowledgements are due to Mr. A.P. Gadgil for microanalysis, Mrs. J.P. Chaudhary, Pune University, Dr. T.A.
Canteenwala, Ahmednagar College, Dr. C. V. Awadhani, N.C.L. Pune, for IR and NMR spectroscopy.

I am grateful to Dr. Tej Veer Singh, Punjab University, Chandigarh, Professor, Trehan, Chairman, Punjab University, Chandigarh, Professor H.P. Tewari, Head, Department of Chemistry, Allahabad University for IR and NMR spectroscopy and useful discussions.

I feel pleasure in mentioning my sincere thanks to Mr. R.D. Shelar, Mr. R.S. Hanberhatty and Mr. F.N. Sayed, Jai Hind College, Dhule and Mr. R.T. Rawal and Mrs. Anuradha Sohonl, from Universal Starch-Chem Allied Ltd., Dondaicha, for their generous help in the evaluation of antibacterial activity.

I am very much thankful to Dr. H.A. Patil, Head, Department of Chemistry, Jai Hind College, Dhule, and all my colleagues from Chemistry Department, for their help and kind cooperation at various stages of the work.

My thanks are also due to Hon’ble Shri Sarkar Sahib Rawal, Managing Director, Universal Starch Chem. Allied Ltd. Dondhicha for moral support.

I express vote of thanks and acknowledgements to The Director, NCL, Pune, for providing library facilities.

My grateful acknowledgements are due to Mr. I.P. Paradhi, Mr. D.D. Chaudhary, Mr. S.A. Patil, Mr. R.S. Pawara, Mr. R.D. Patil and Mr. V.J. Valvi for their help in laboratory work.

Finally, I must mention the emotional support of my parents and my wife Leela Rajput, son Hemraj and daughter Prajakta and Poonam during the disappointing moments. The total co-operation extended by them is of immense value to me.

Department of Chemistry,
S.S.V.P. Sanstha’s
Late Karnaveer
Dr. P.R. Ghogrey Science College,
DHULE : 424 005. INDIA.
