ACKNOWLEDGEMENT

I take this opportunity to express my deep sense of gratitude to Dr. A. M. Chavan, Reader, in Physical Chemistry, Shivaji University, Kolhapur for his constant inspiration, invaluable suggestions and able guidance during the course of this work.

This piece of work is towards completion due to immense help rendered by Dr. S. N. Deshmukh, Reader and Dr. G. S. Gokavi, Lecturer, Department of Physical Chemistry, Shivaji University, Kolhapur to whom my sincere thanks on record will not be only sufficient.

I am also thankful to Dr. M. D. Bhand, Reader and Dr. S. R. Patil, Lecturer, for their valuable suggestions and timely help from Department of Chemistry, Shivaji University, Kolhapur.

I am extremely grateful to Dr. R. B. Mane, Professor and Head, Department of Chemistry and also Dr. K. J. Patil, Professor and Head, Physical Chemistry Section, Shivaji University, Kolhapur for providing the necessary facilities throughout the work.

The teaching and nonteaching staff of university department of chemistry, deserve my sincere thanks for their invaluable cooperation.
I must express my heartful thanks to my family members for their cooperation and encouragement throughout my work.

My friends, colleagues from Shankar Rao Mohite Mahavidyalaya, Akluj, relatives and wellwishers who have helped me directly or indirectly in completing this research work deserve a special mention.

I am also, thankful to authorities of Akluj Shikshan Prasark Mandal, Akluj, Principal Shri. D.M. Shinde, Shankar Rao Mohite Mahavidyalaya, Akluj, Vice-Chancellor and Registrar of Shivaji University, Kolhapur, U.G.C., New Delhi for bestowing an opportunity to me as teacher fellow.
