ACKNOWLEDGMENT

Foremost, my gratitude goes to Dr. T. N. Shanmugam, Professor, Department of Mathematics, Anna University, who guided me through the fractal realm. His vision, his enthusiasm and his spirit inspired and enlightened me to carry out this research with interest and involvement.

It is a great pleasure to express my deep sense of gratitude to my joint supervisor Dr. V. Ramachandran, Professor, Department of Information Science and Technology, Anna University, who provided the original inspiration for the topic and helped to nurture it throughout.

I wish to express my profound gratitude to Dr. P. Narayanasamy, Professor and Dr. Ranjani Parthasarathy, Professor, Department of Information Science and Technology, Anna University, for their useful suggestions. My heartfelt thanks are due to Dr. R. Baskaran, Assistant Professor, Department of Computer Science and Engineering, Anna University, for his prompt help throughout my research work.

I am very much grateful to Dr. P. Vijayaraju, Professor and Head, Department of Mathematics, for his motivation to finish this work.

I thank all my family members, well-wishers and friends for their steadfast support and cooperation for the successful completion of this thesis.

PRIYA R
